

Generative Art

Random, Noise & Loop

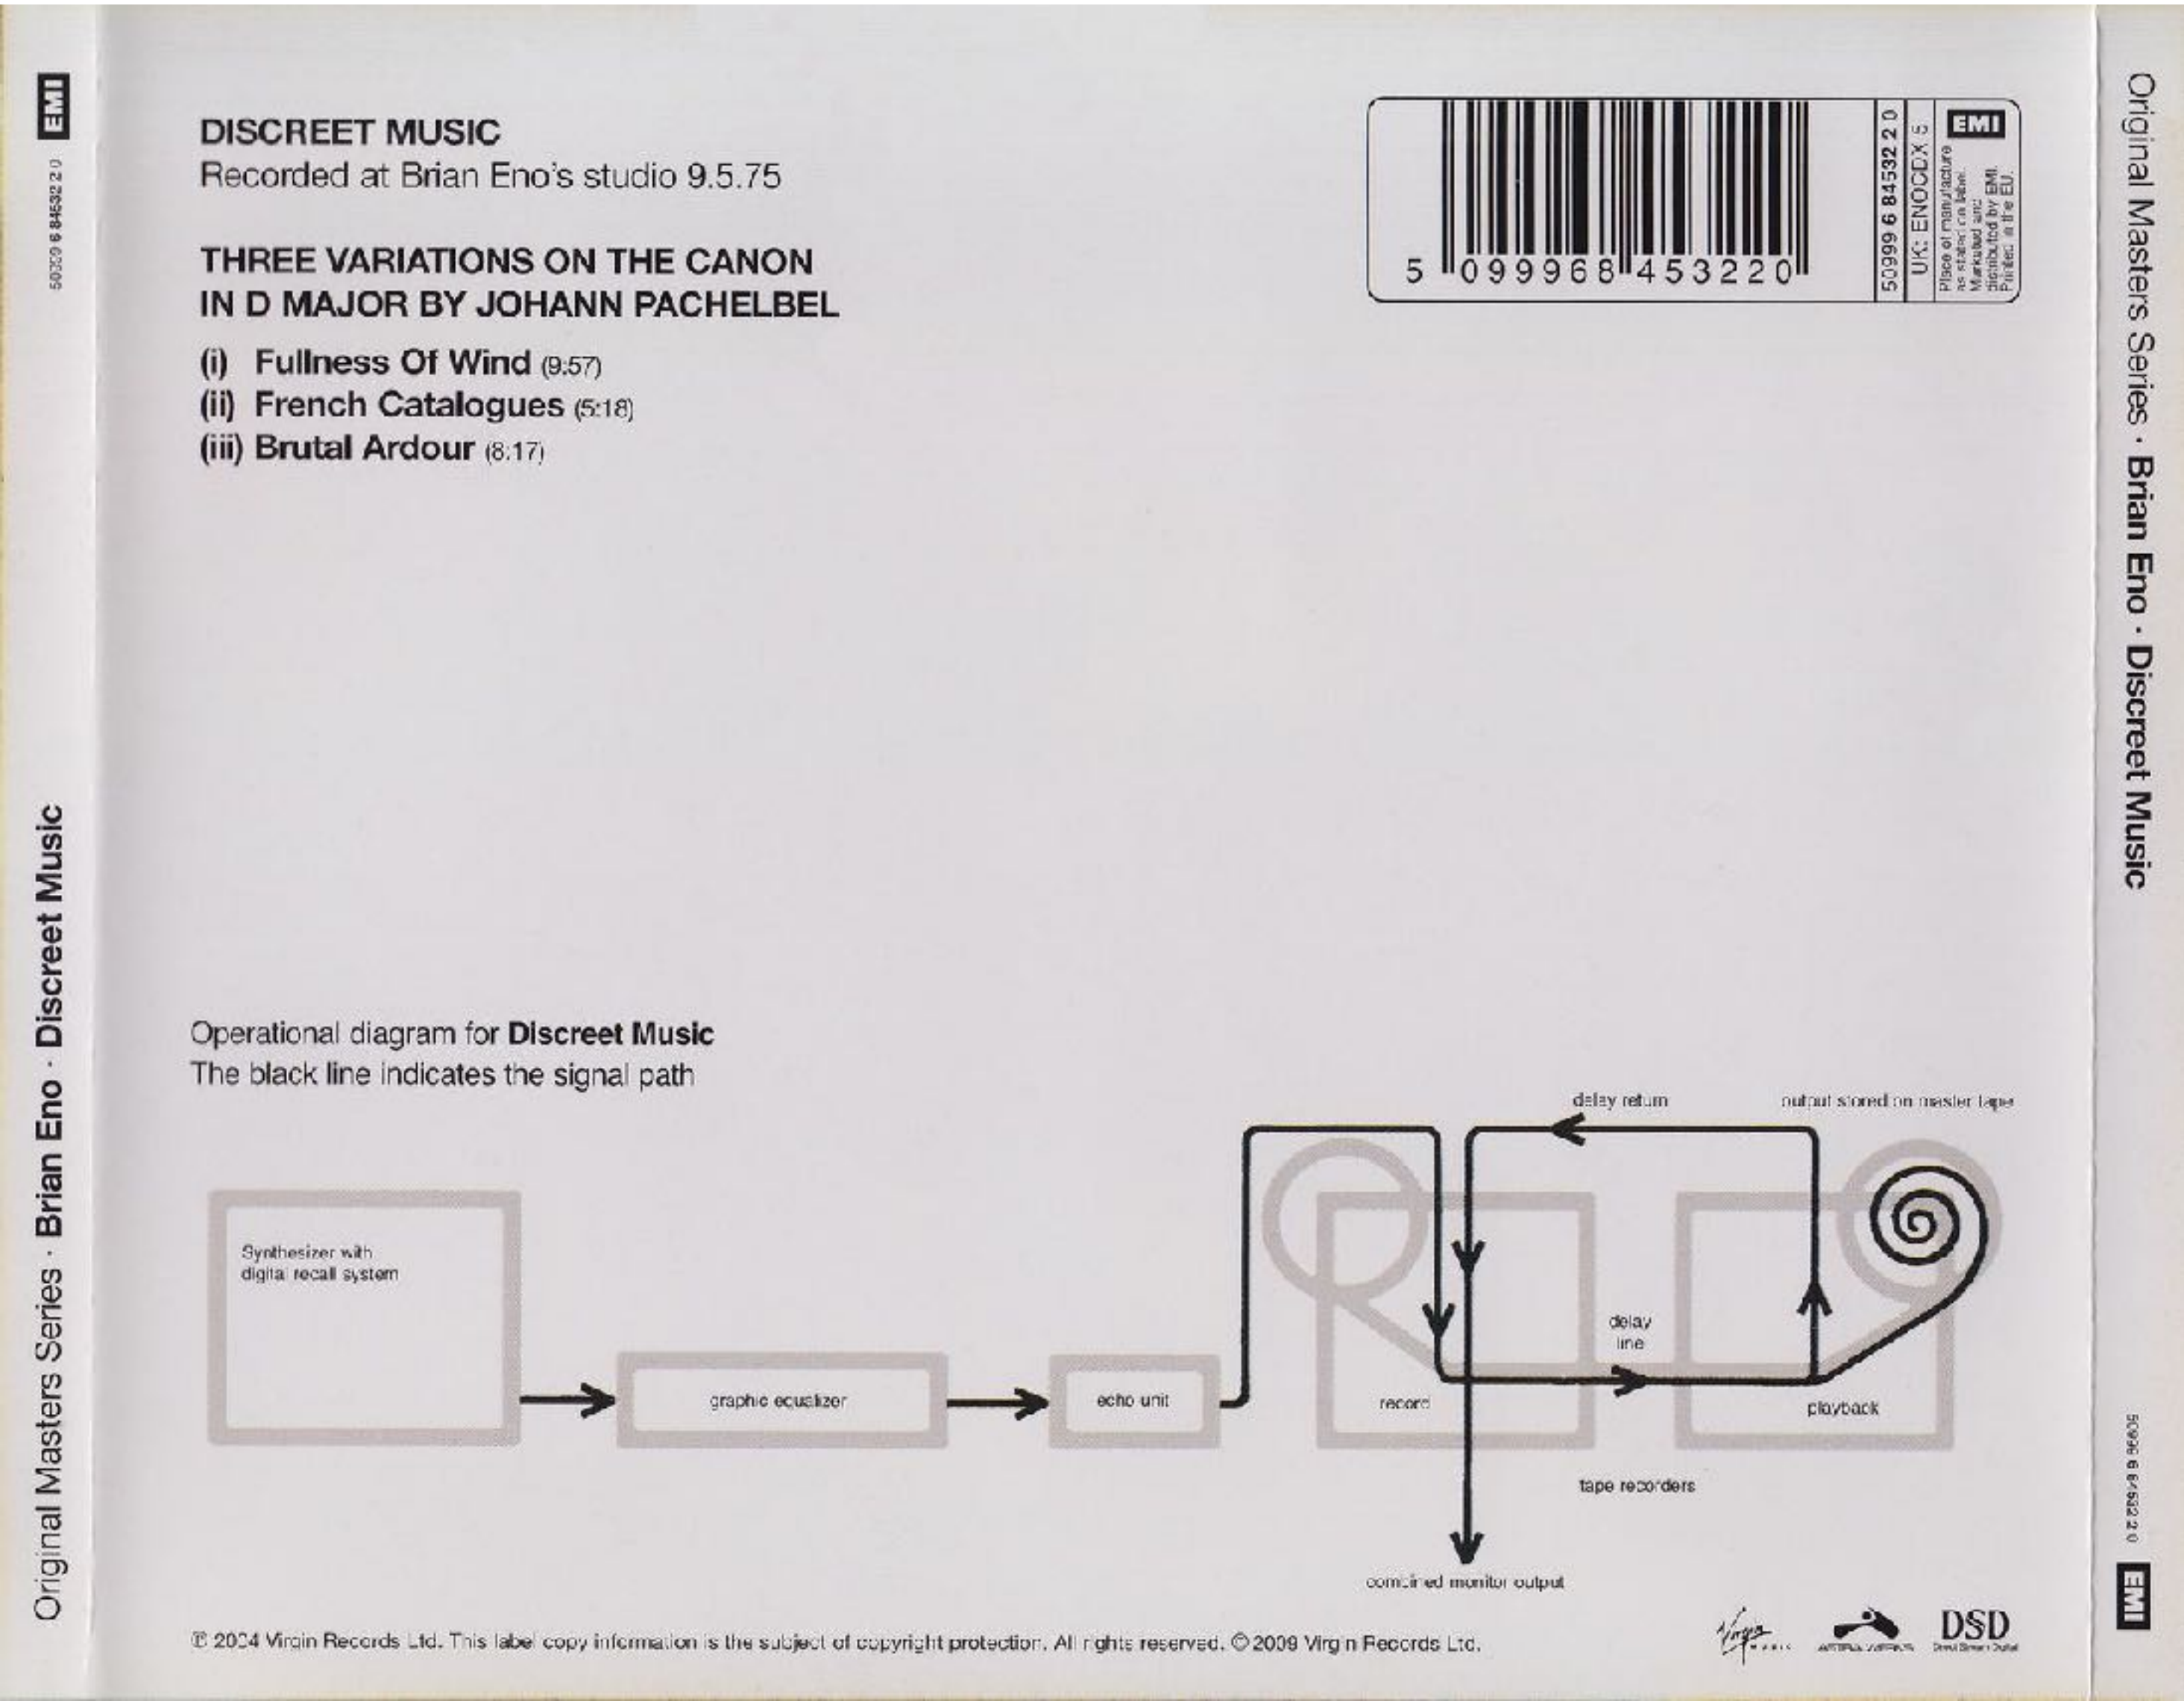

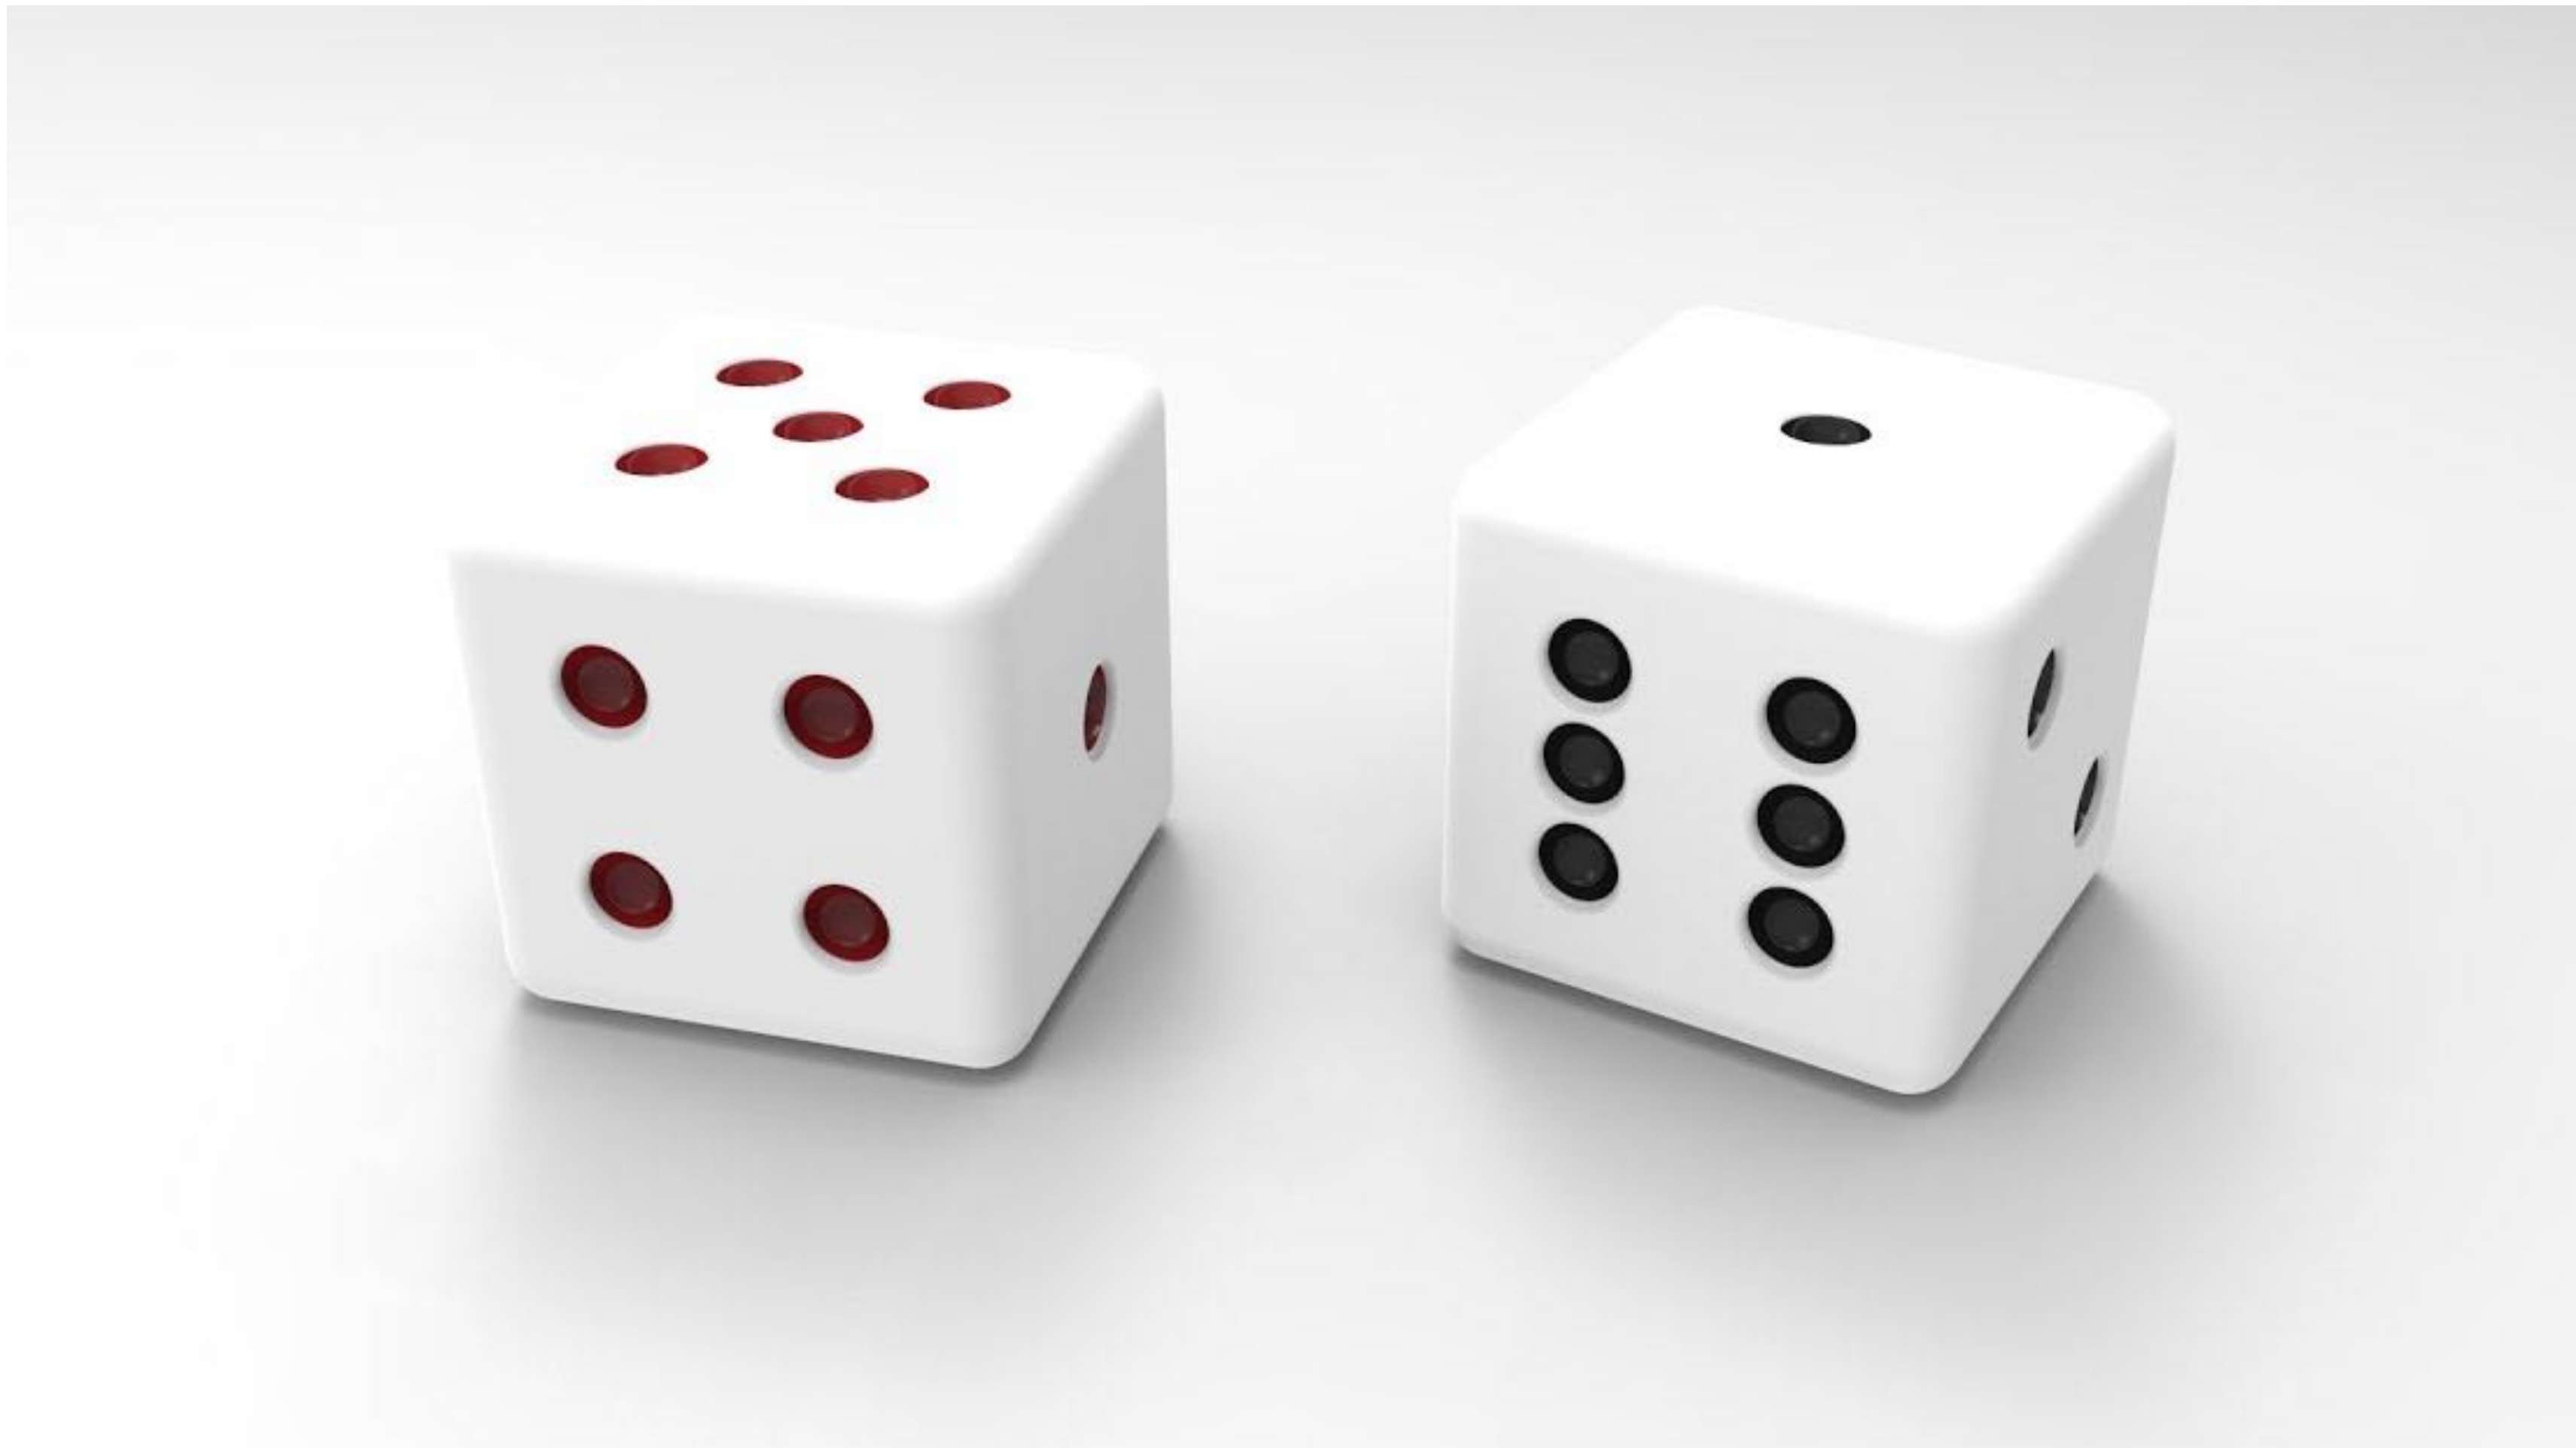

Gwangyu Lee

What is Generative Art?

**“Generative art refers to any art practice
where the artist uses a system”**

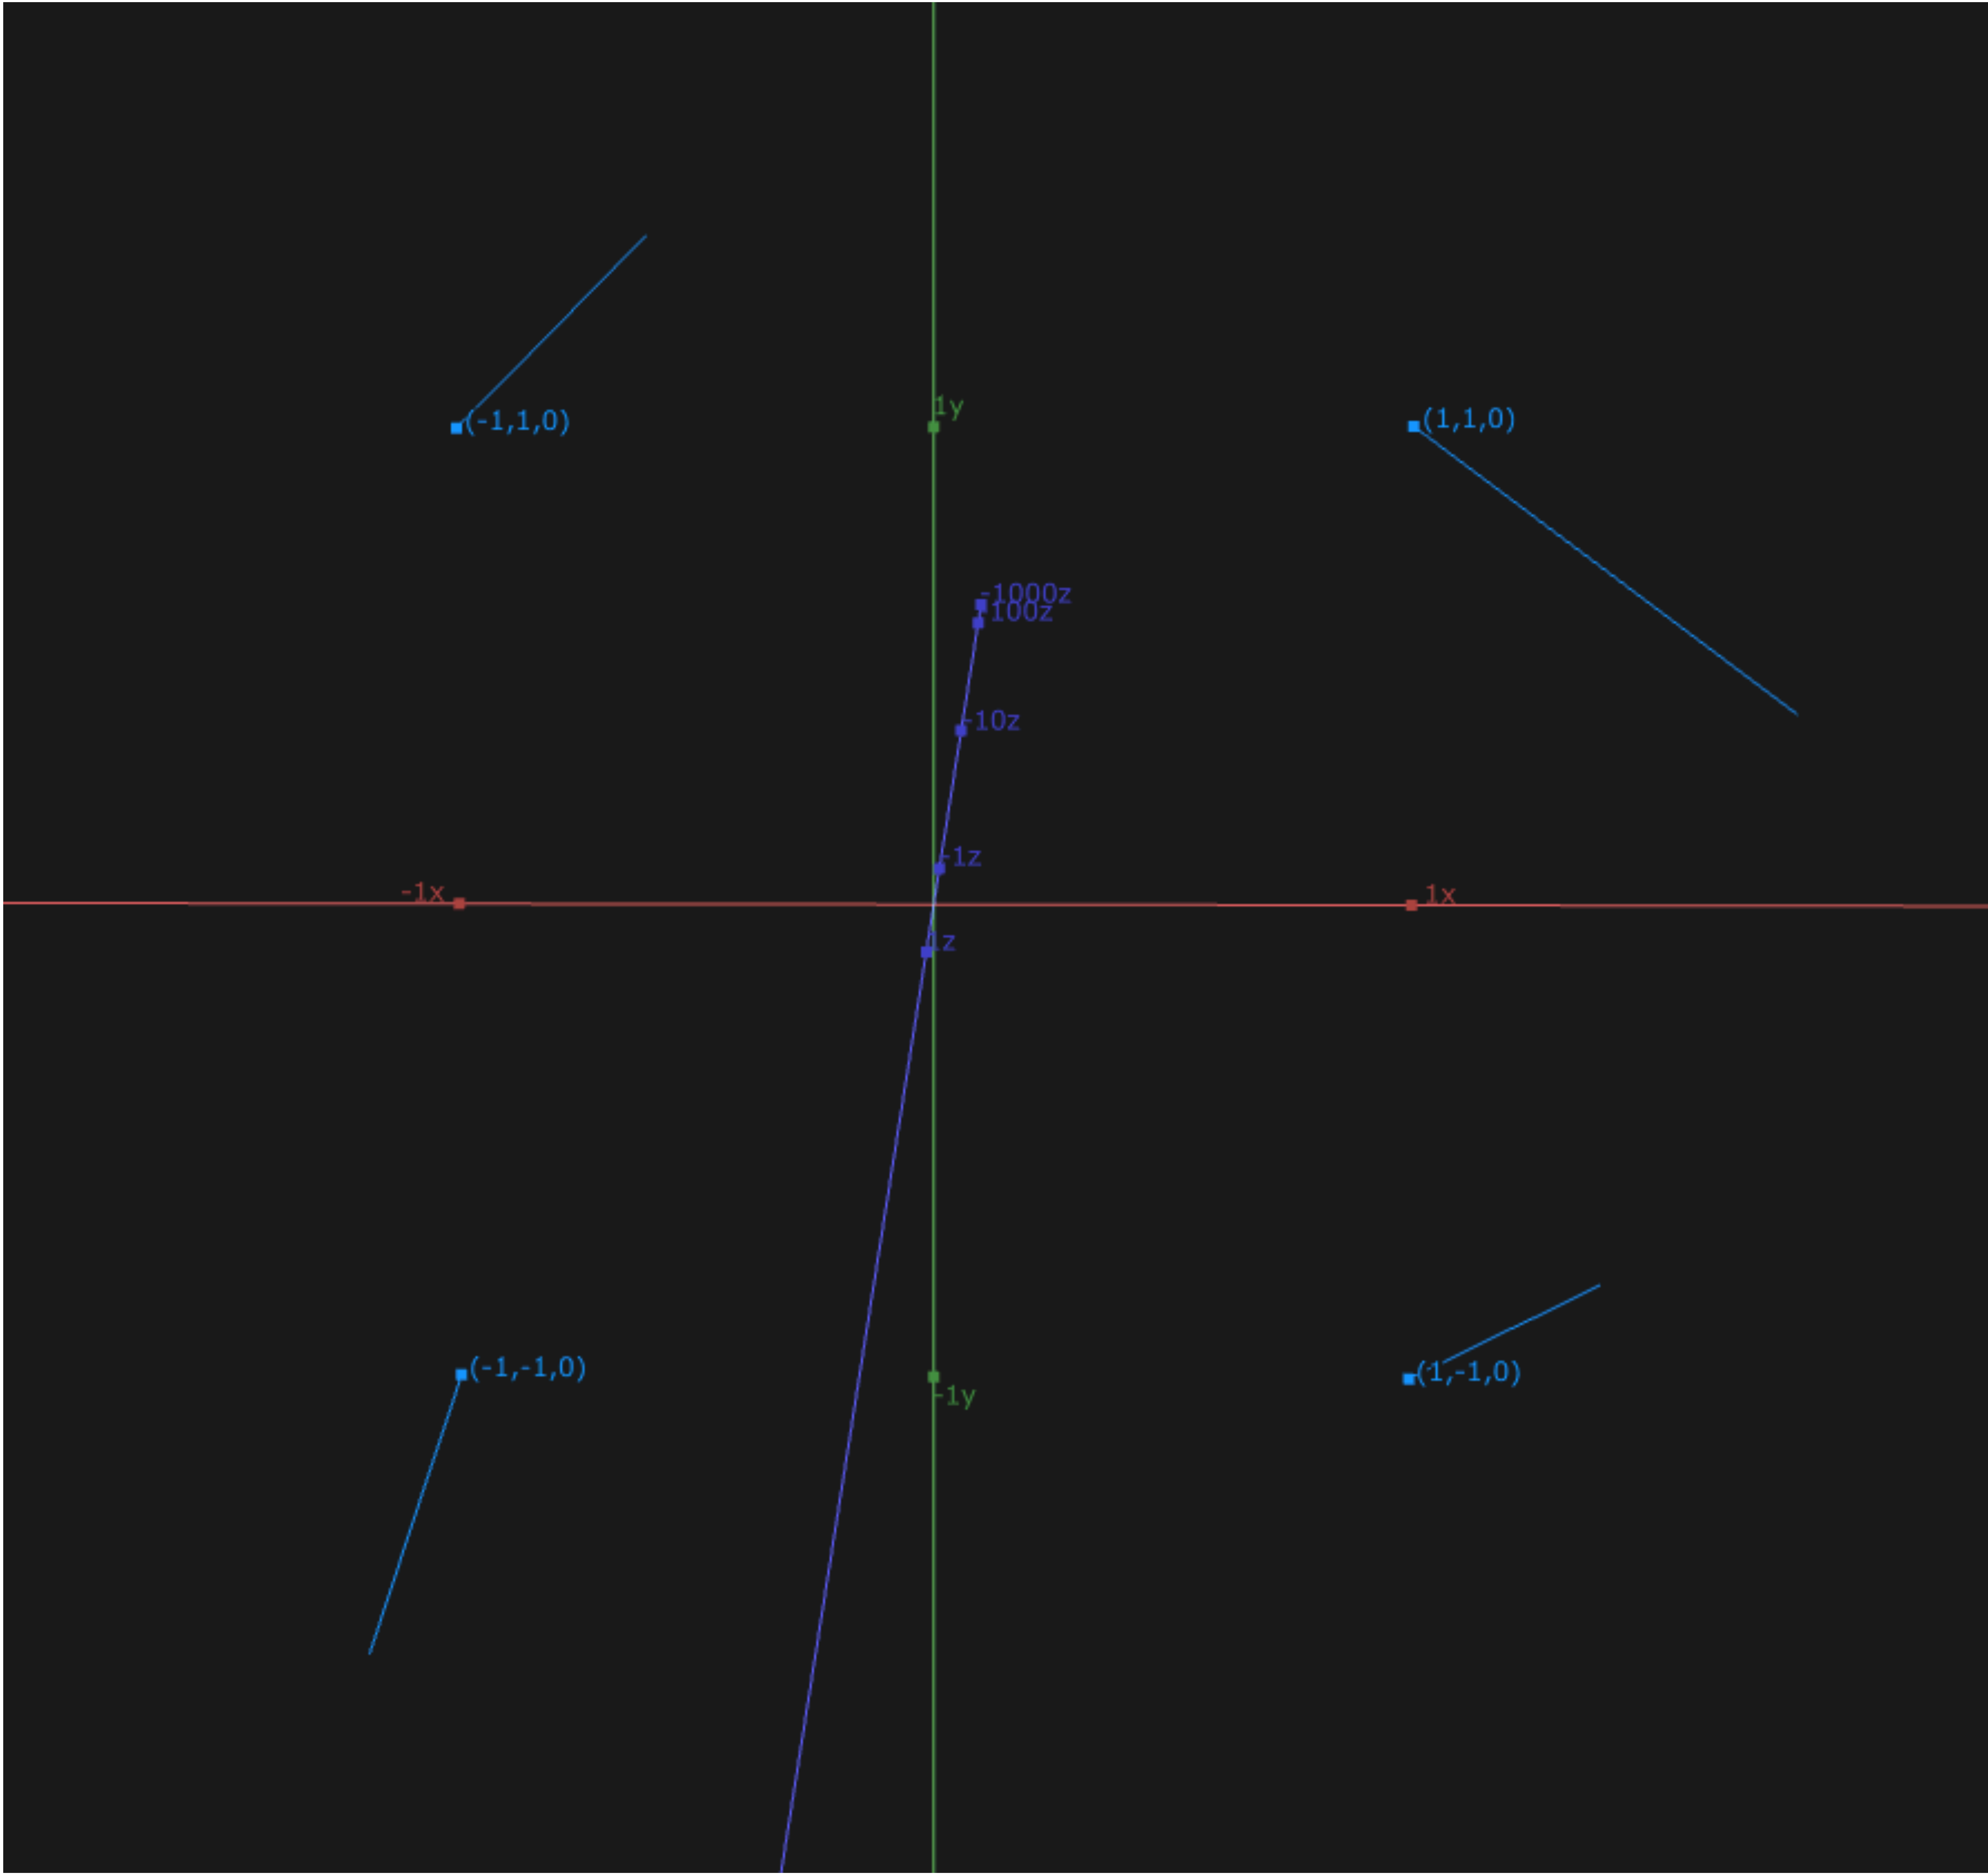

Philip Galanter, artist and professor at Texas A&M University

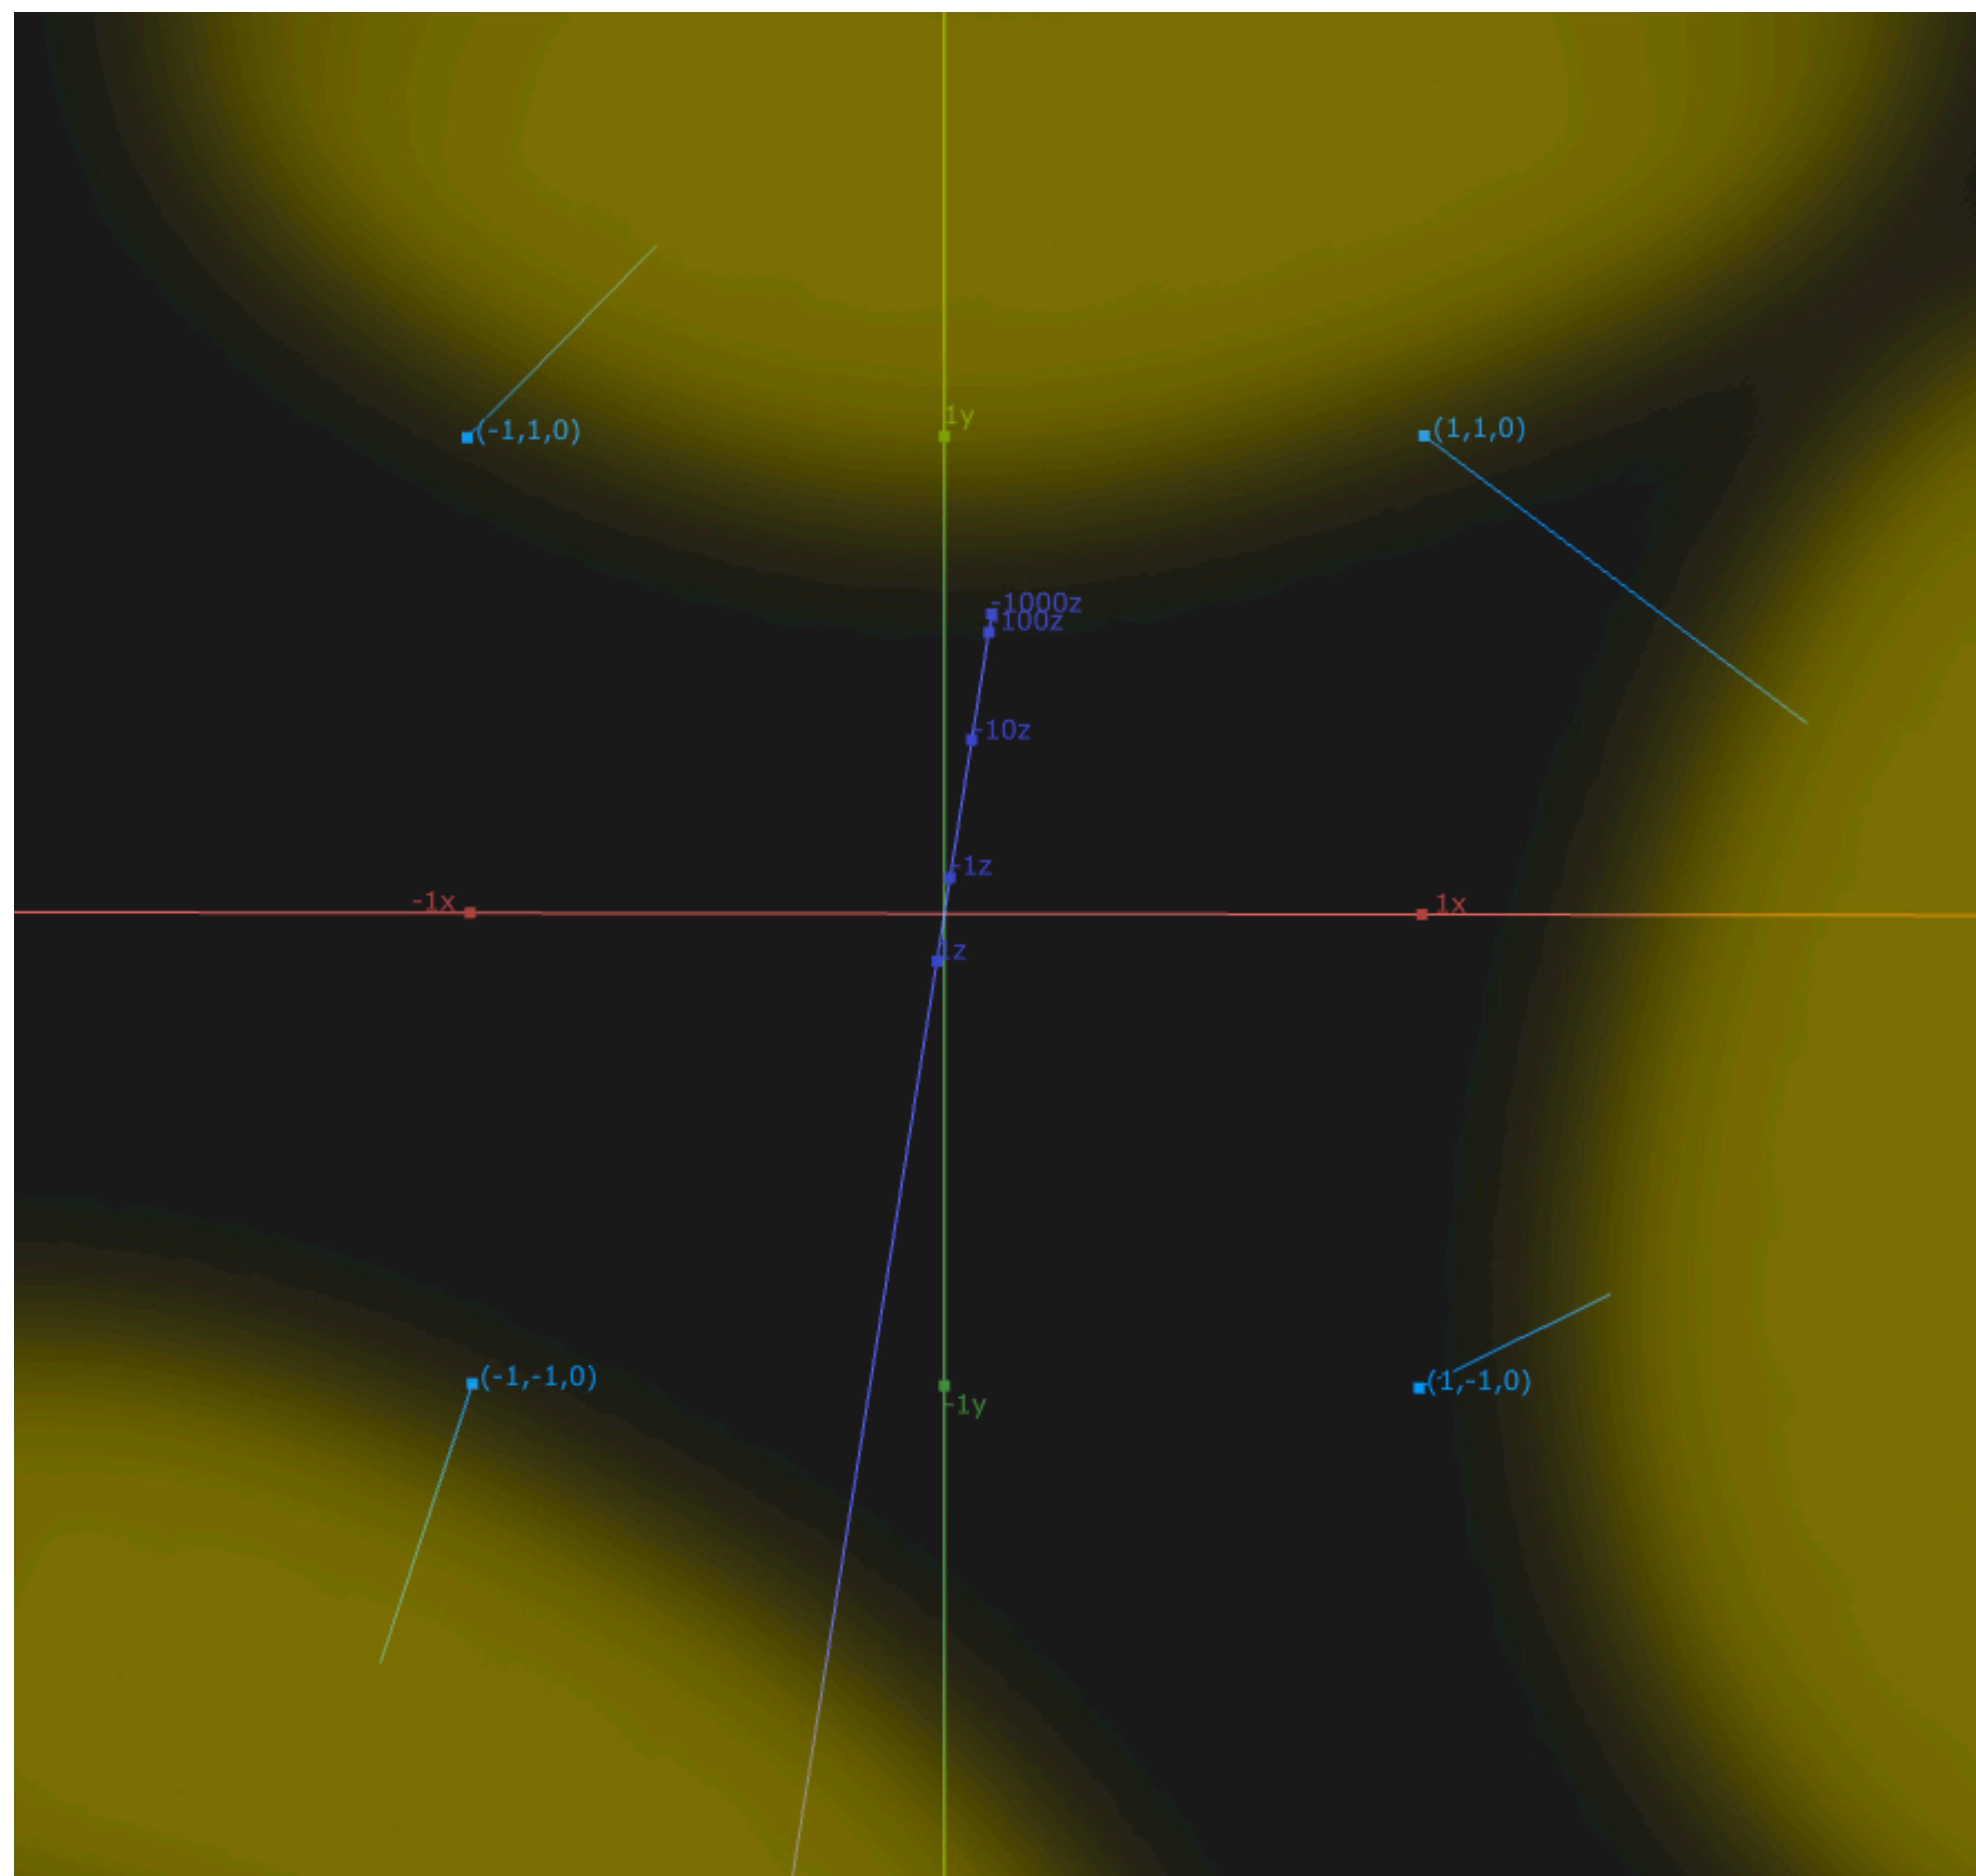

Tool vs System

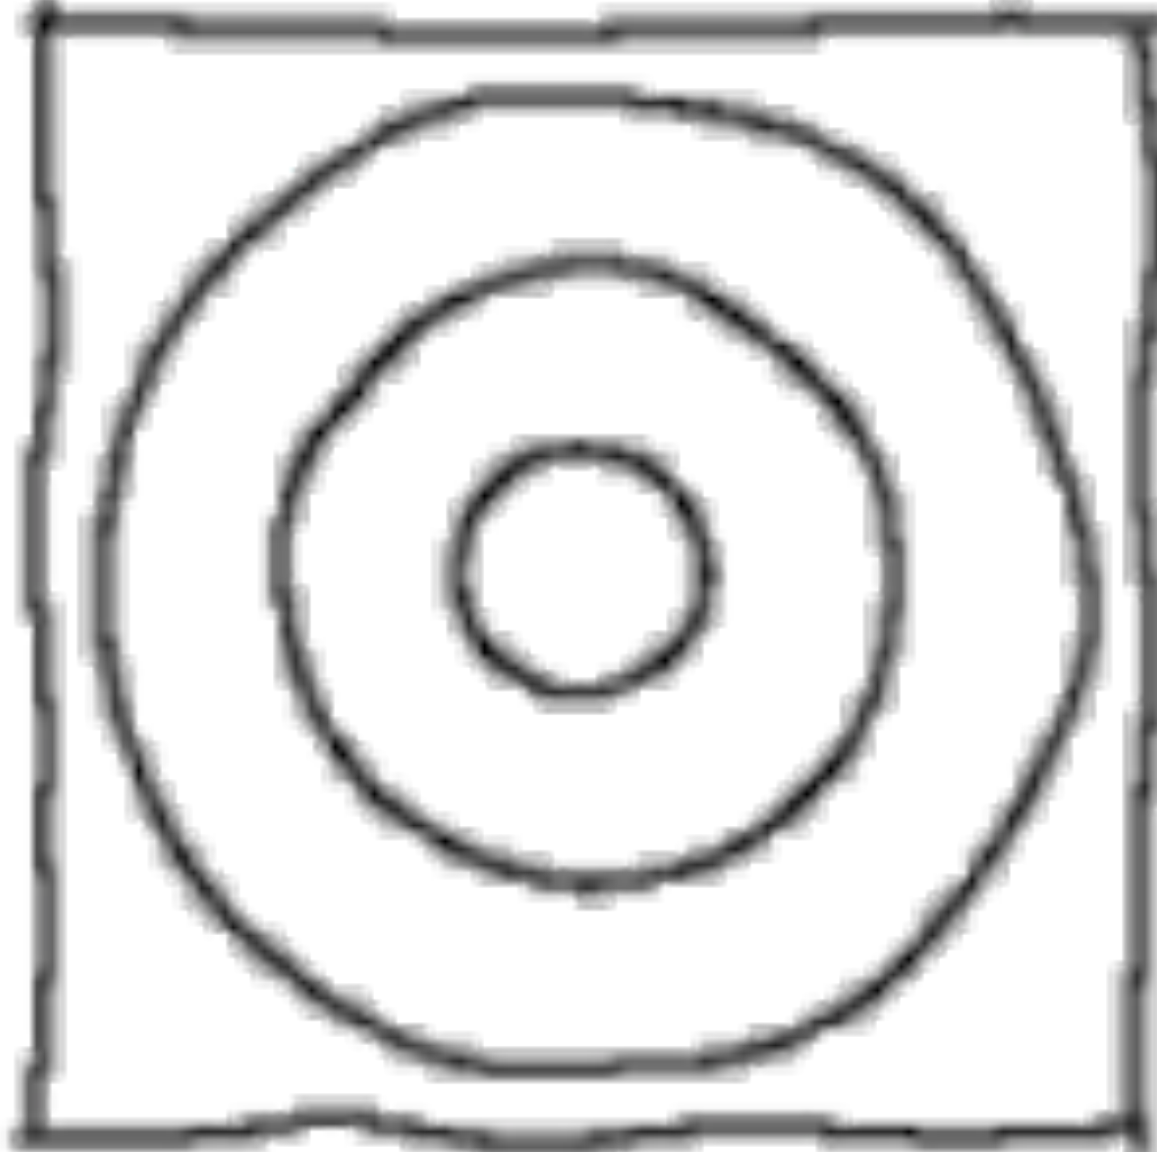

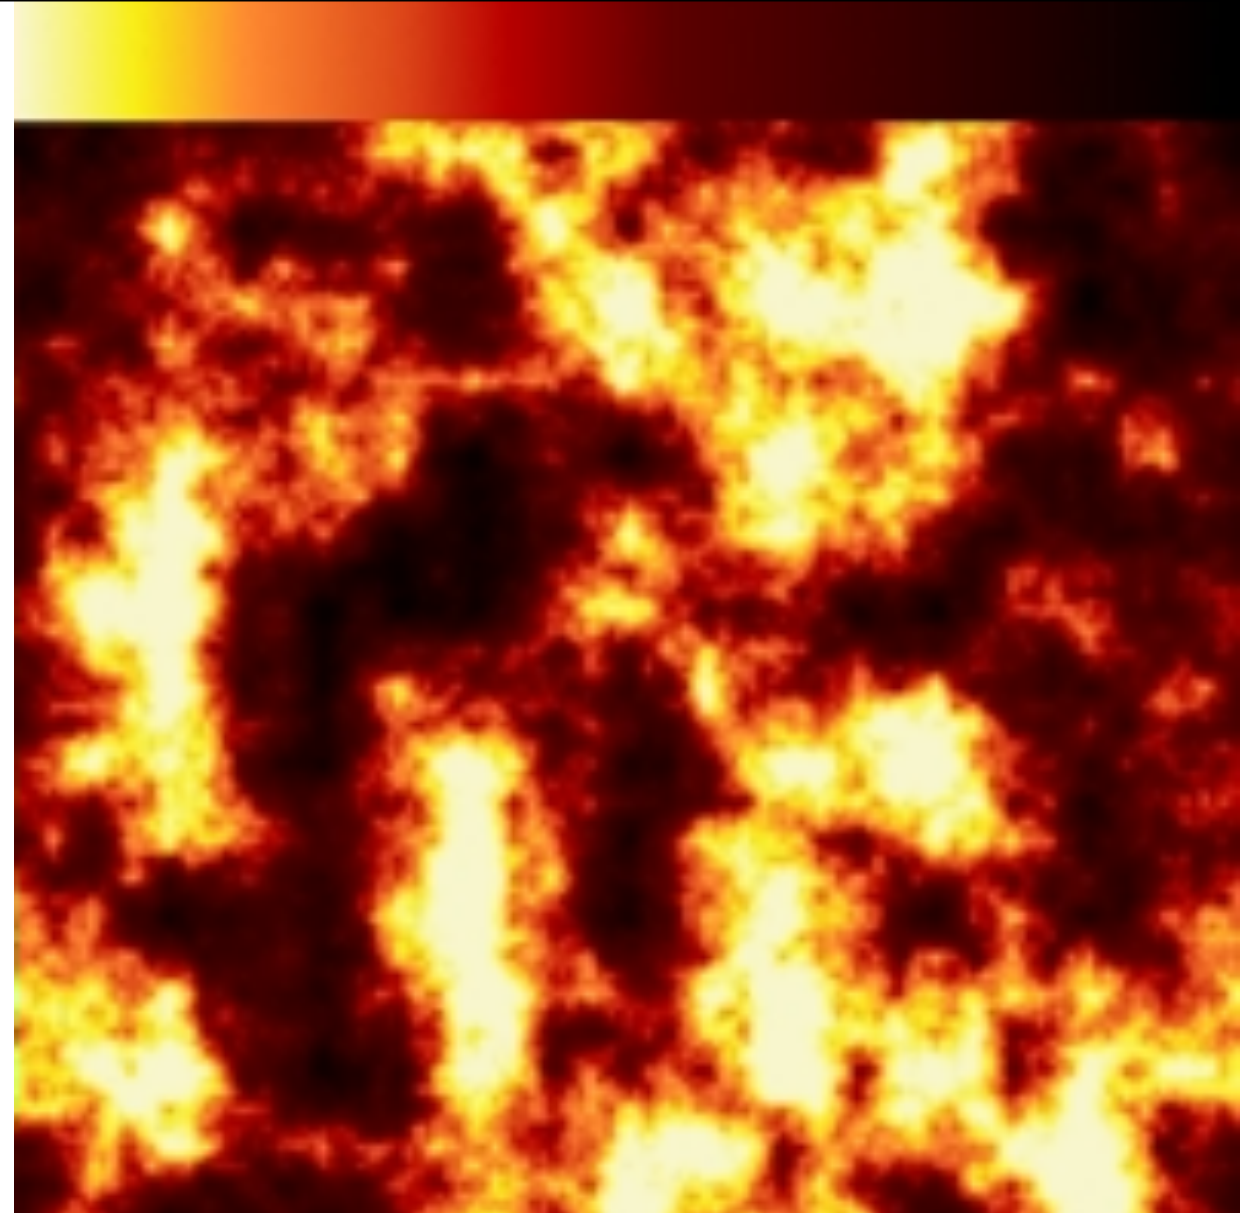

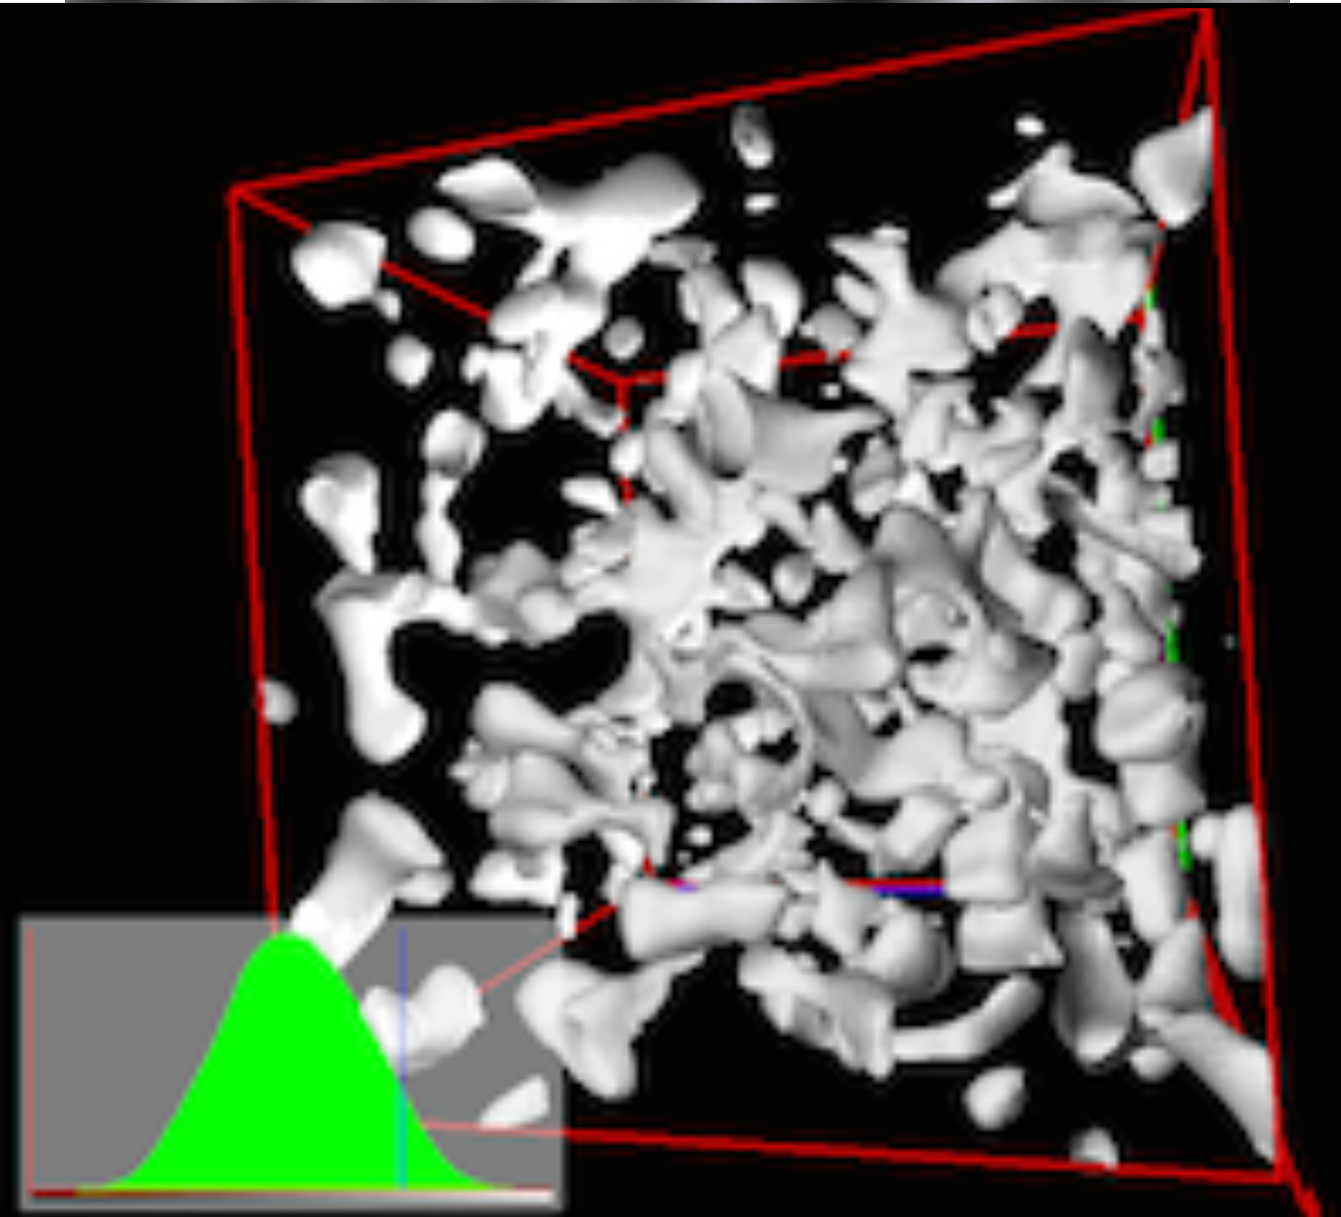

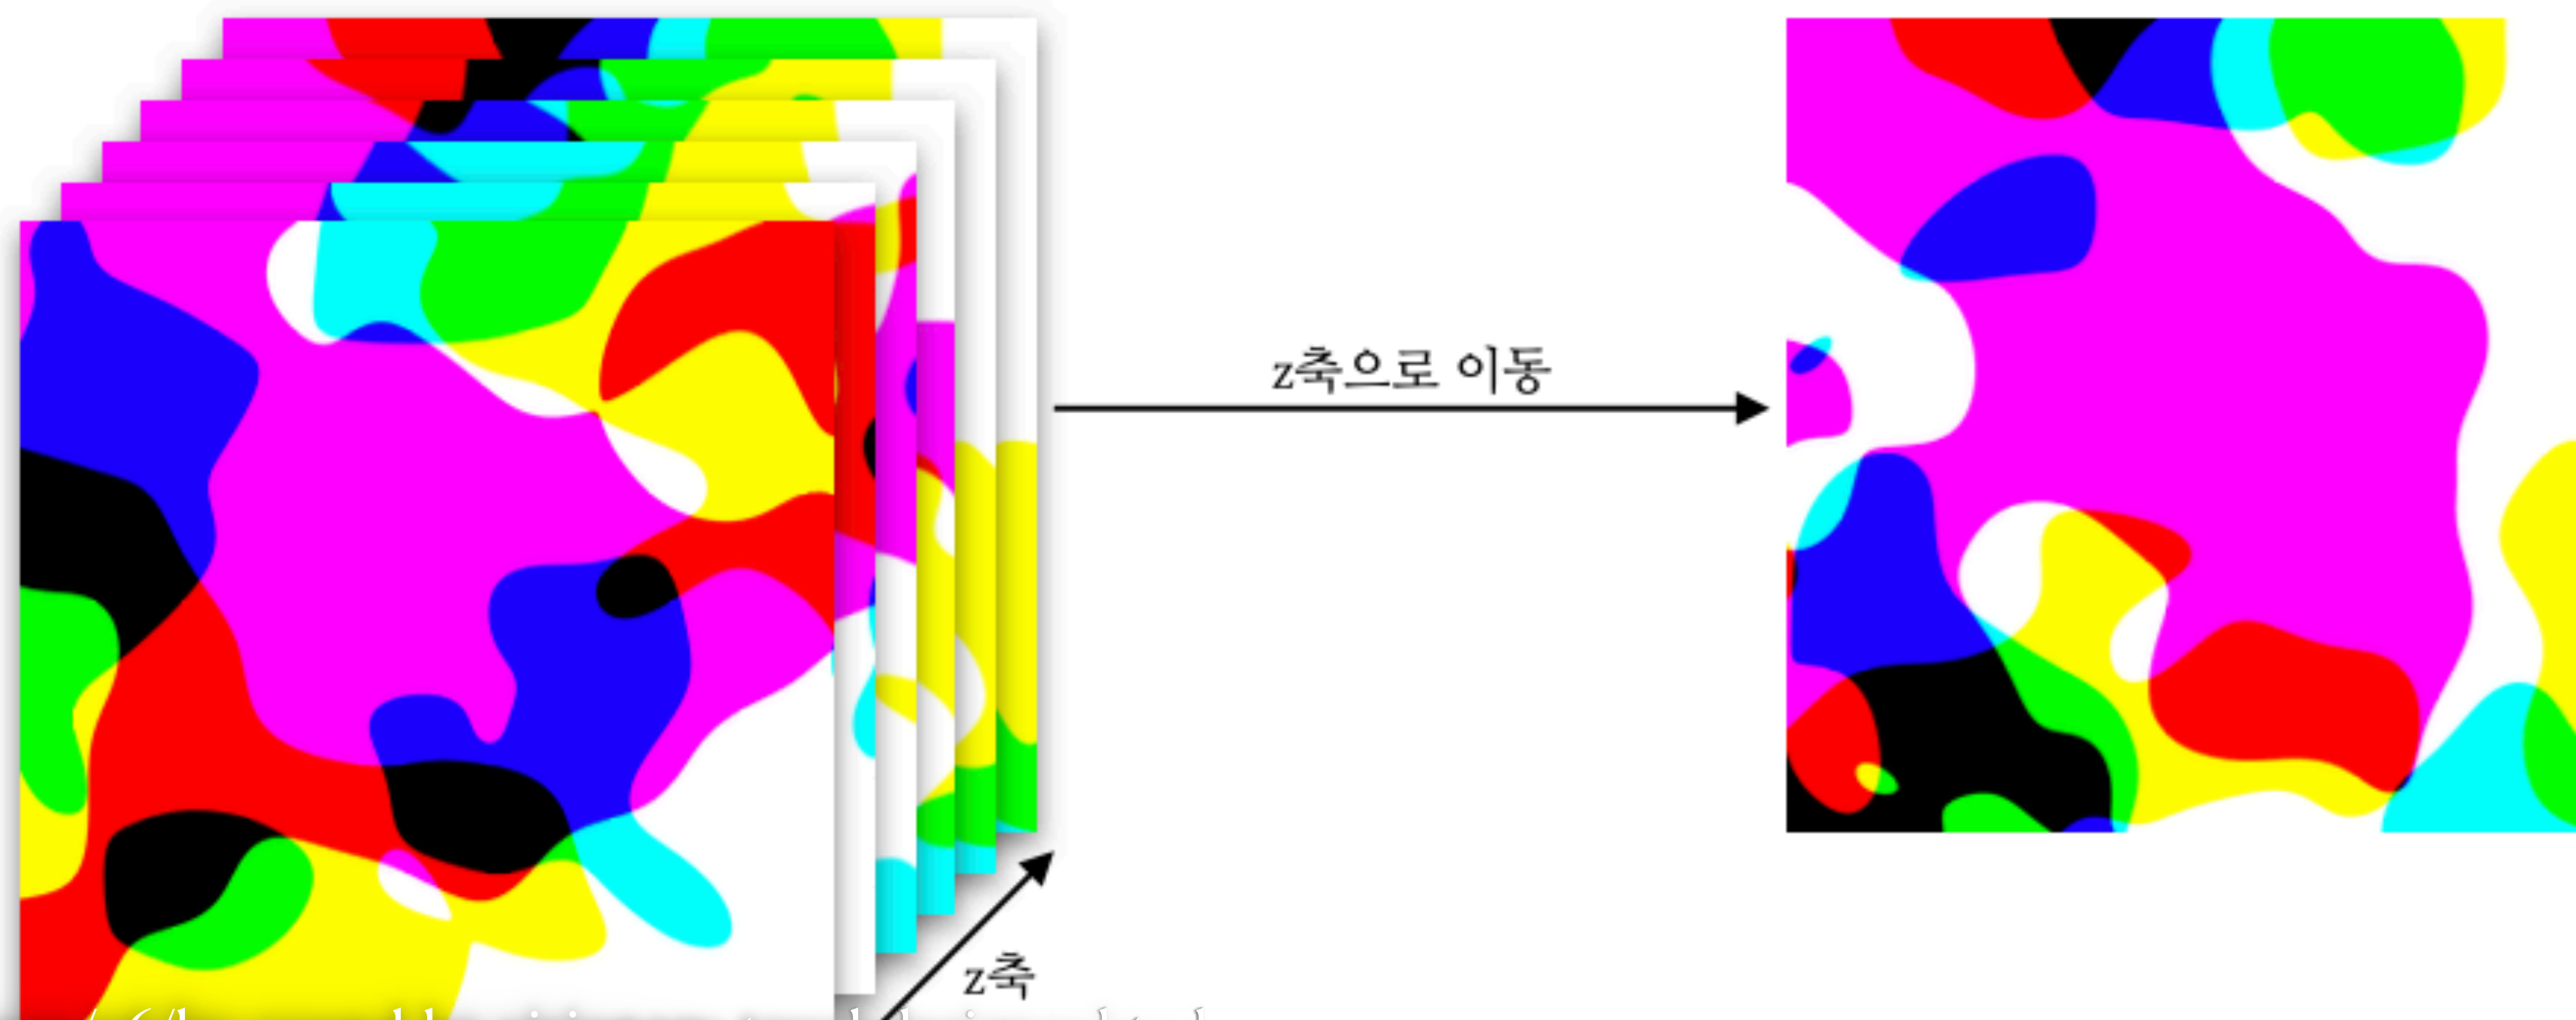

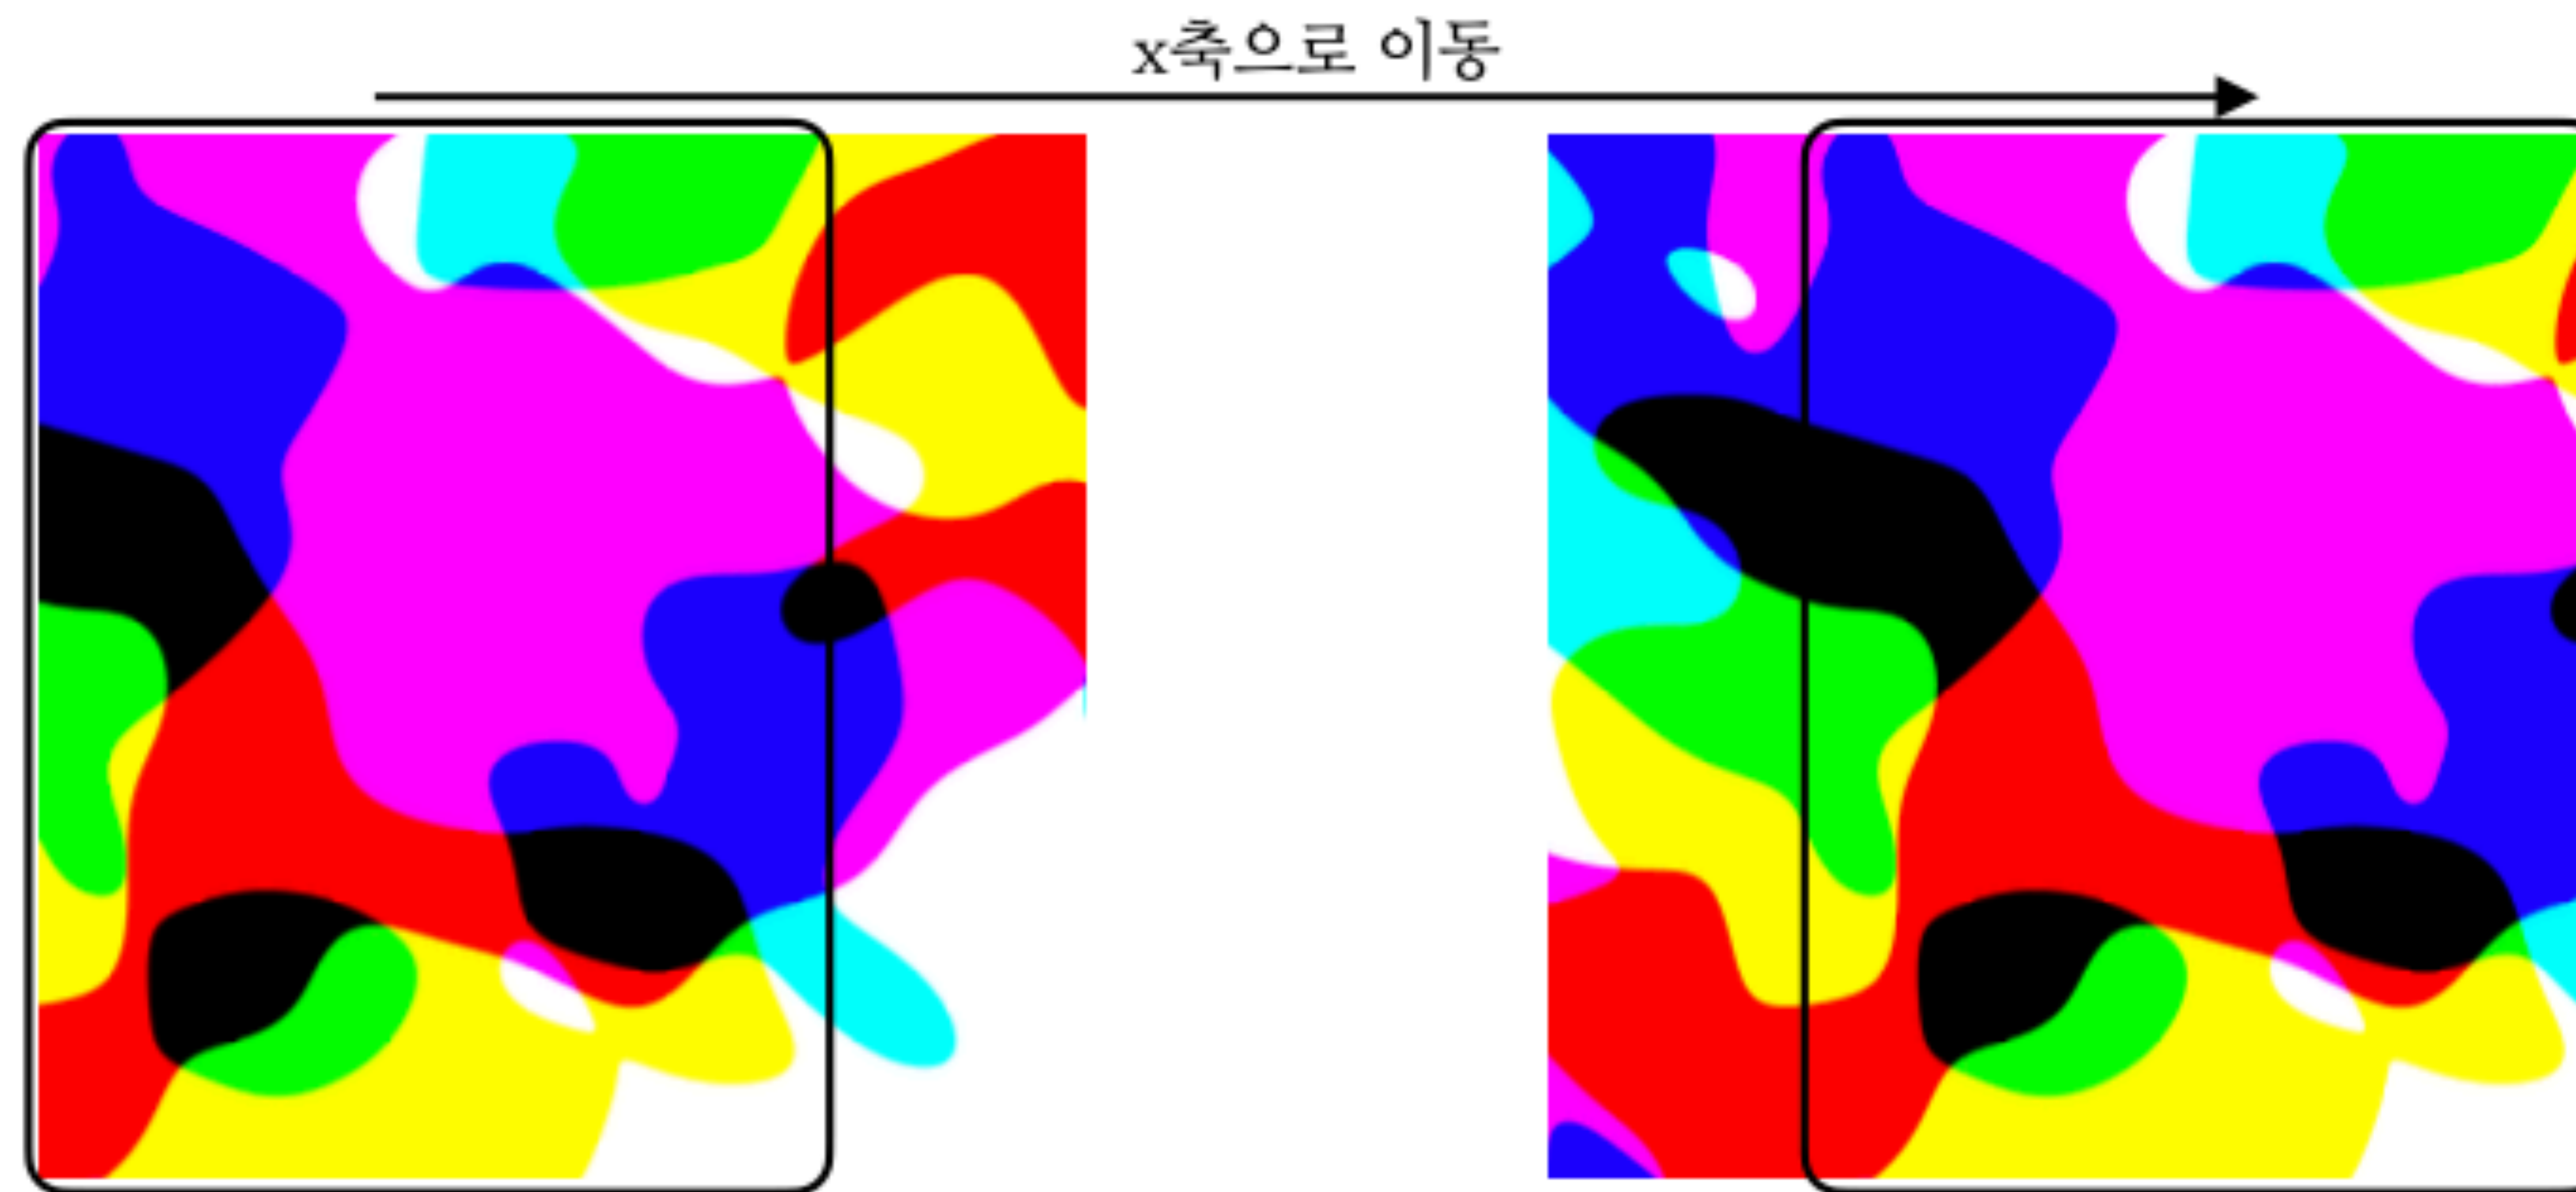

Mid Square Method

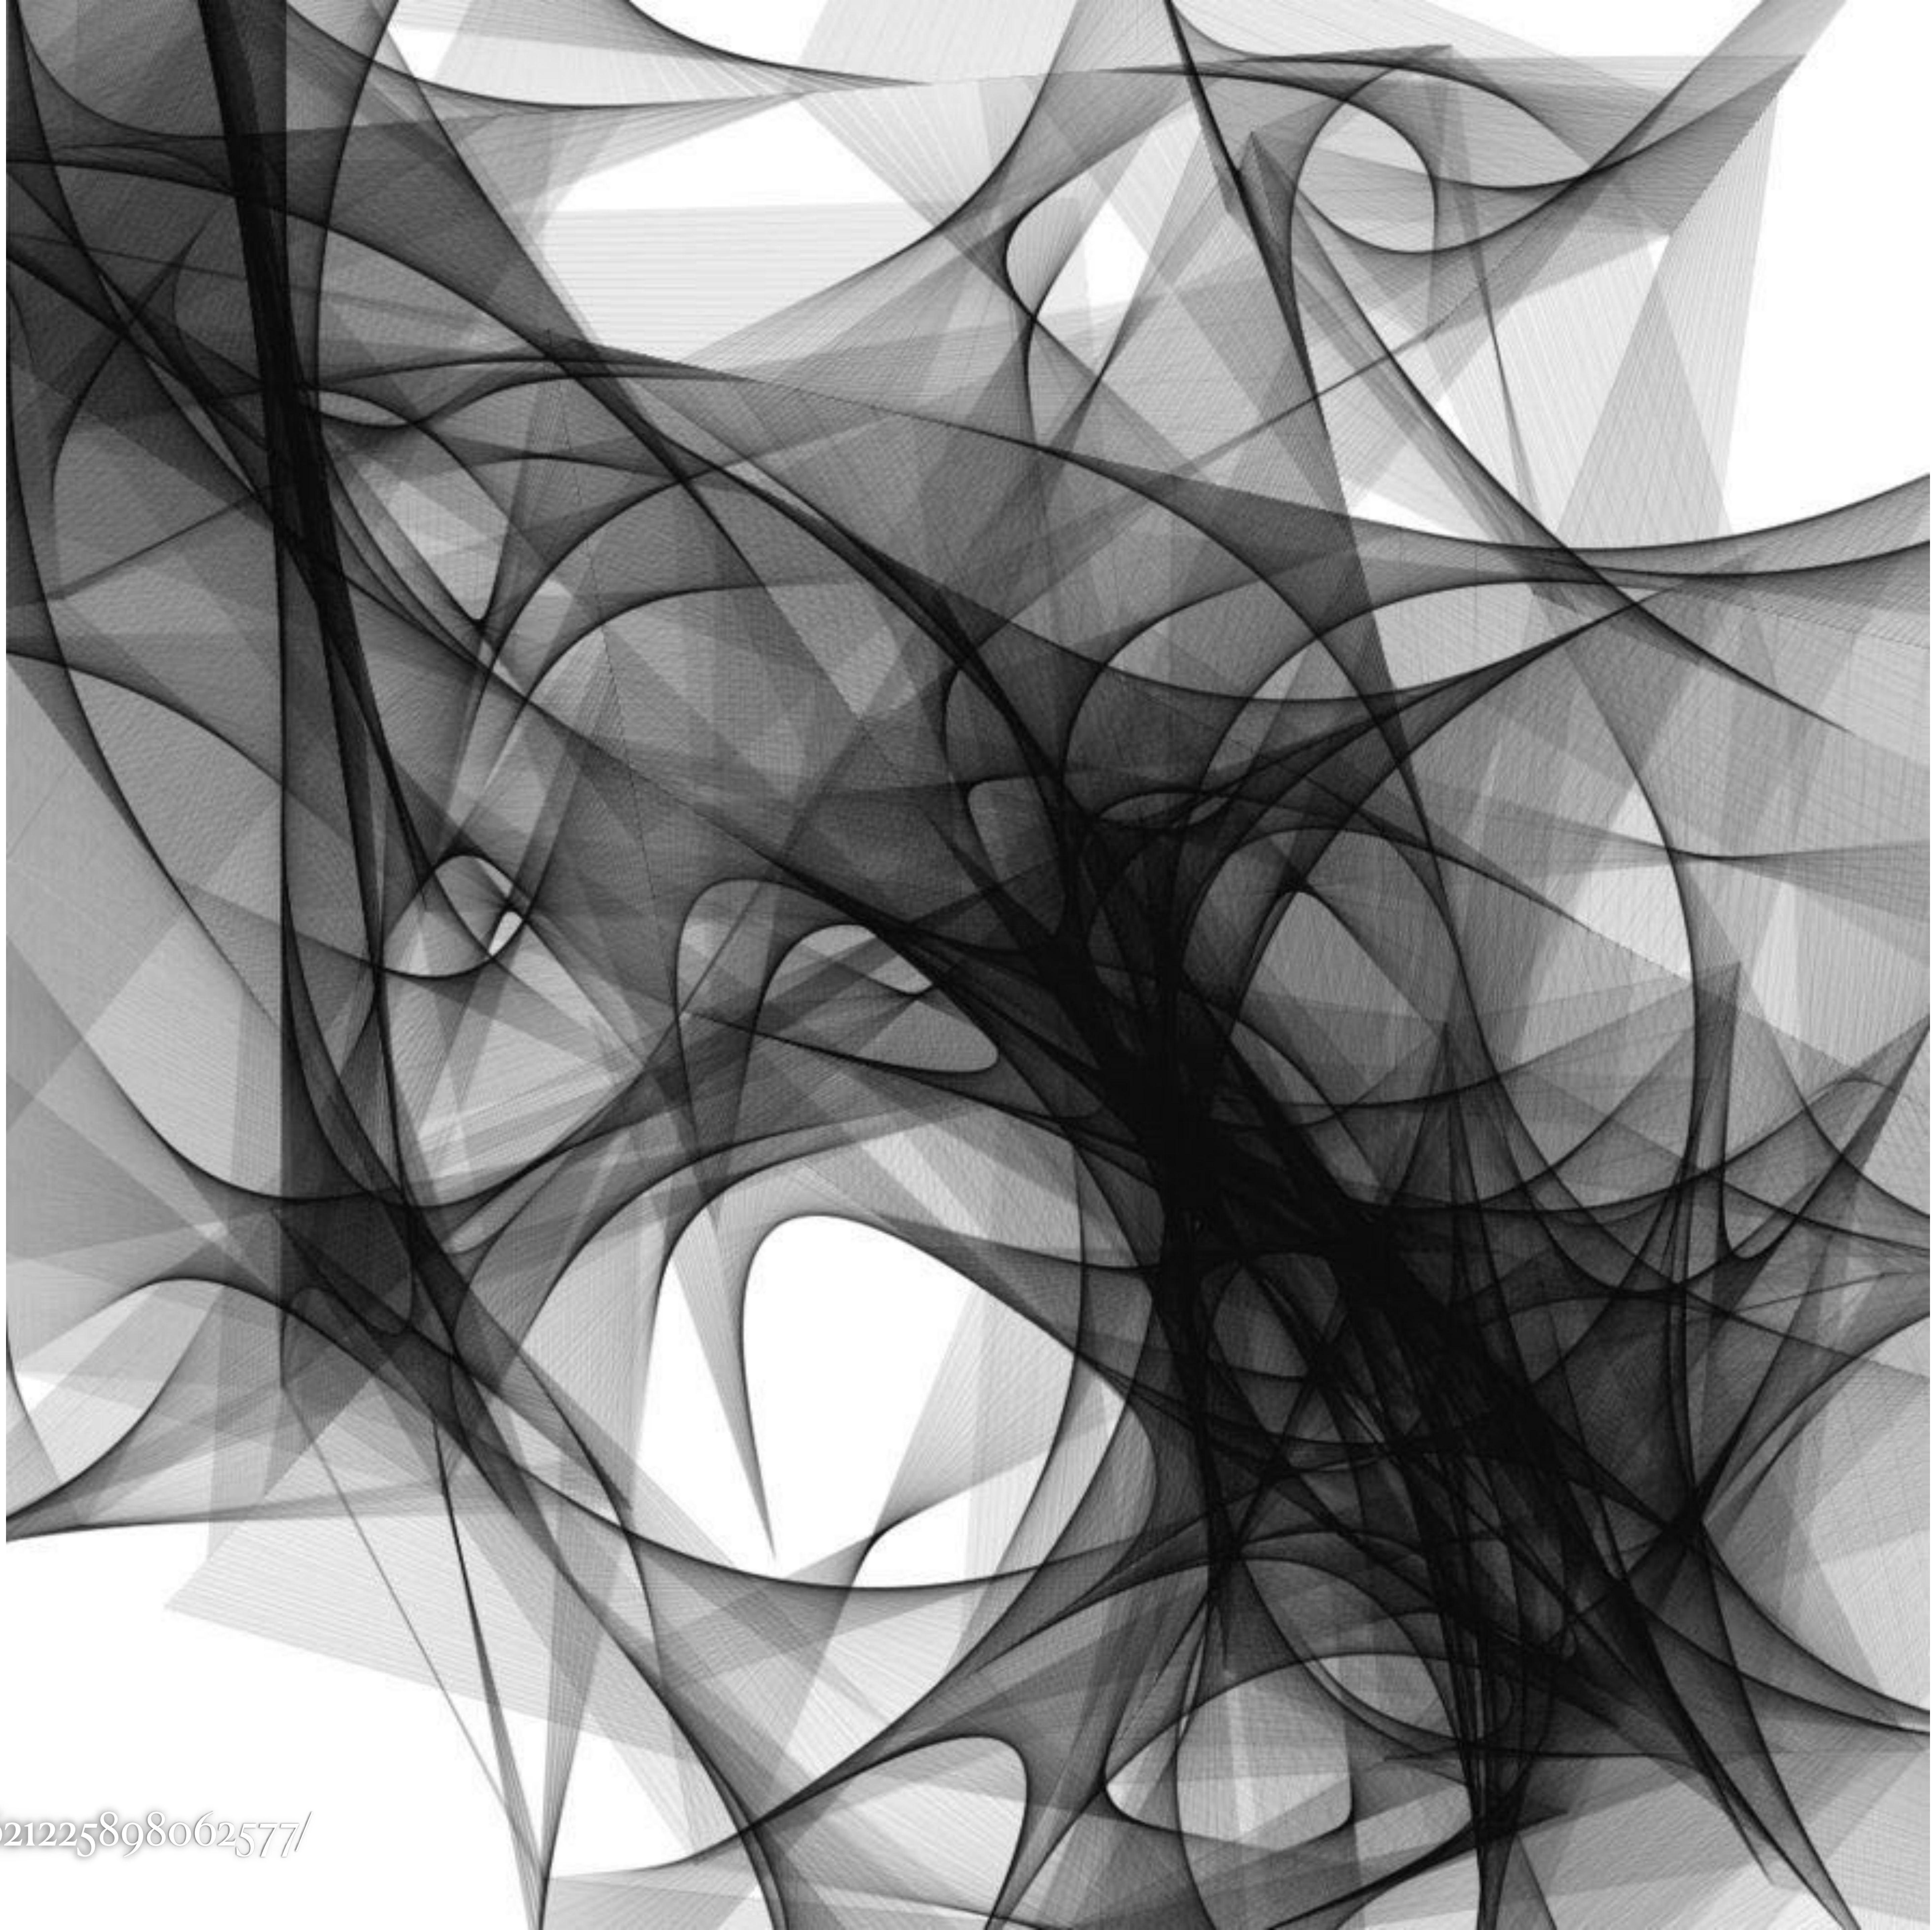

Stage	Seed	Seed ²	Output
1	42	1764	76
2	76	5776	77
3	77	5929	92
4	92	8464	46

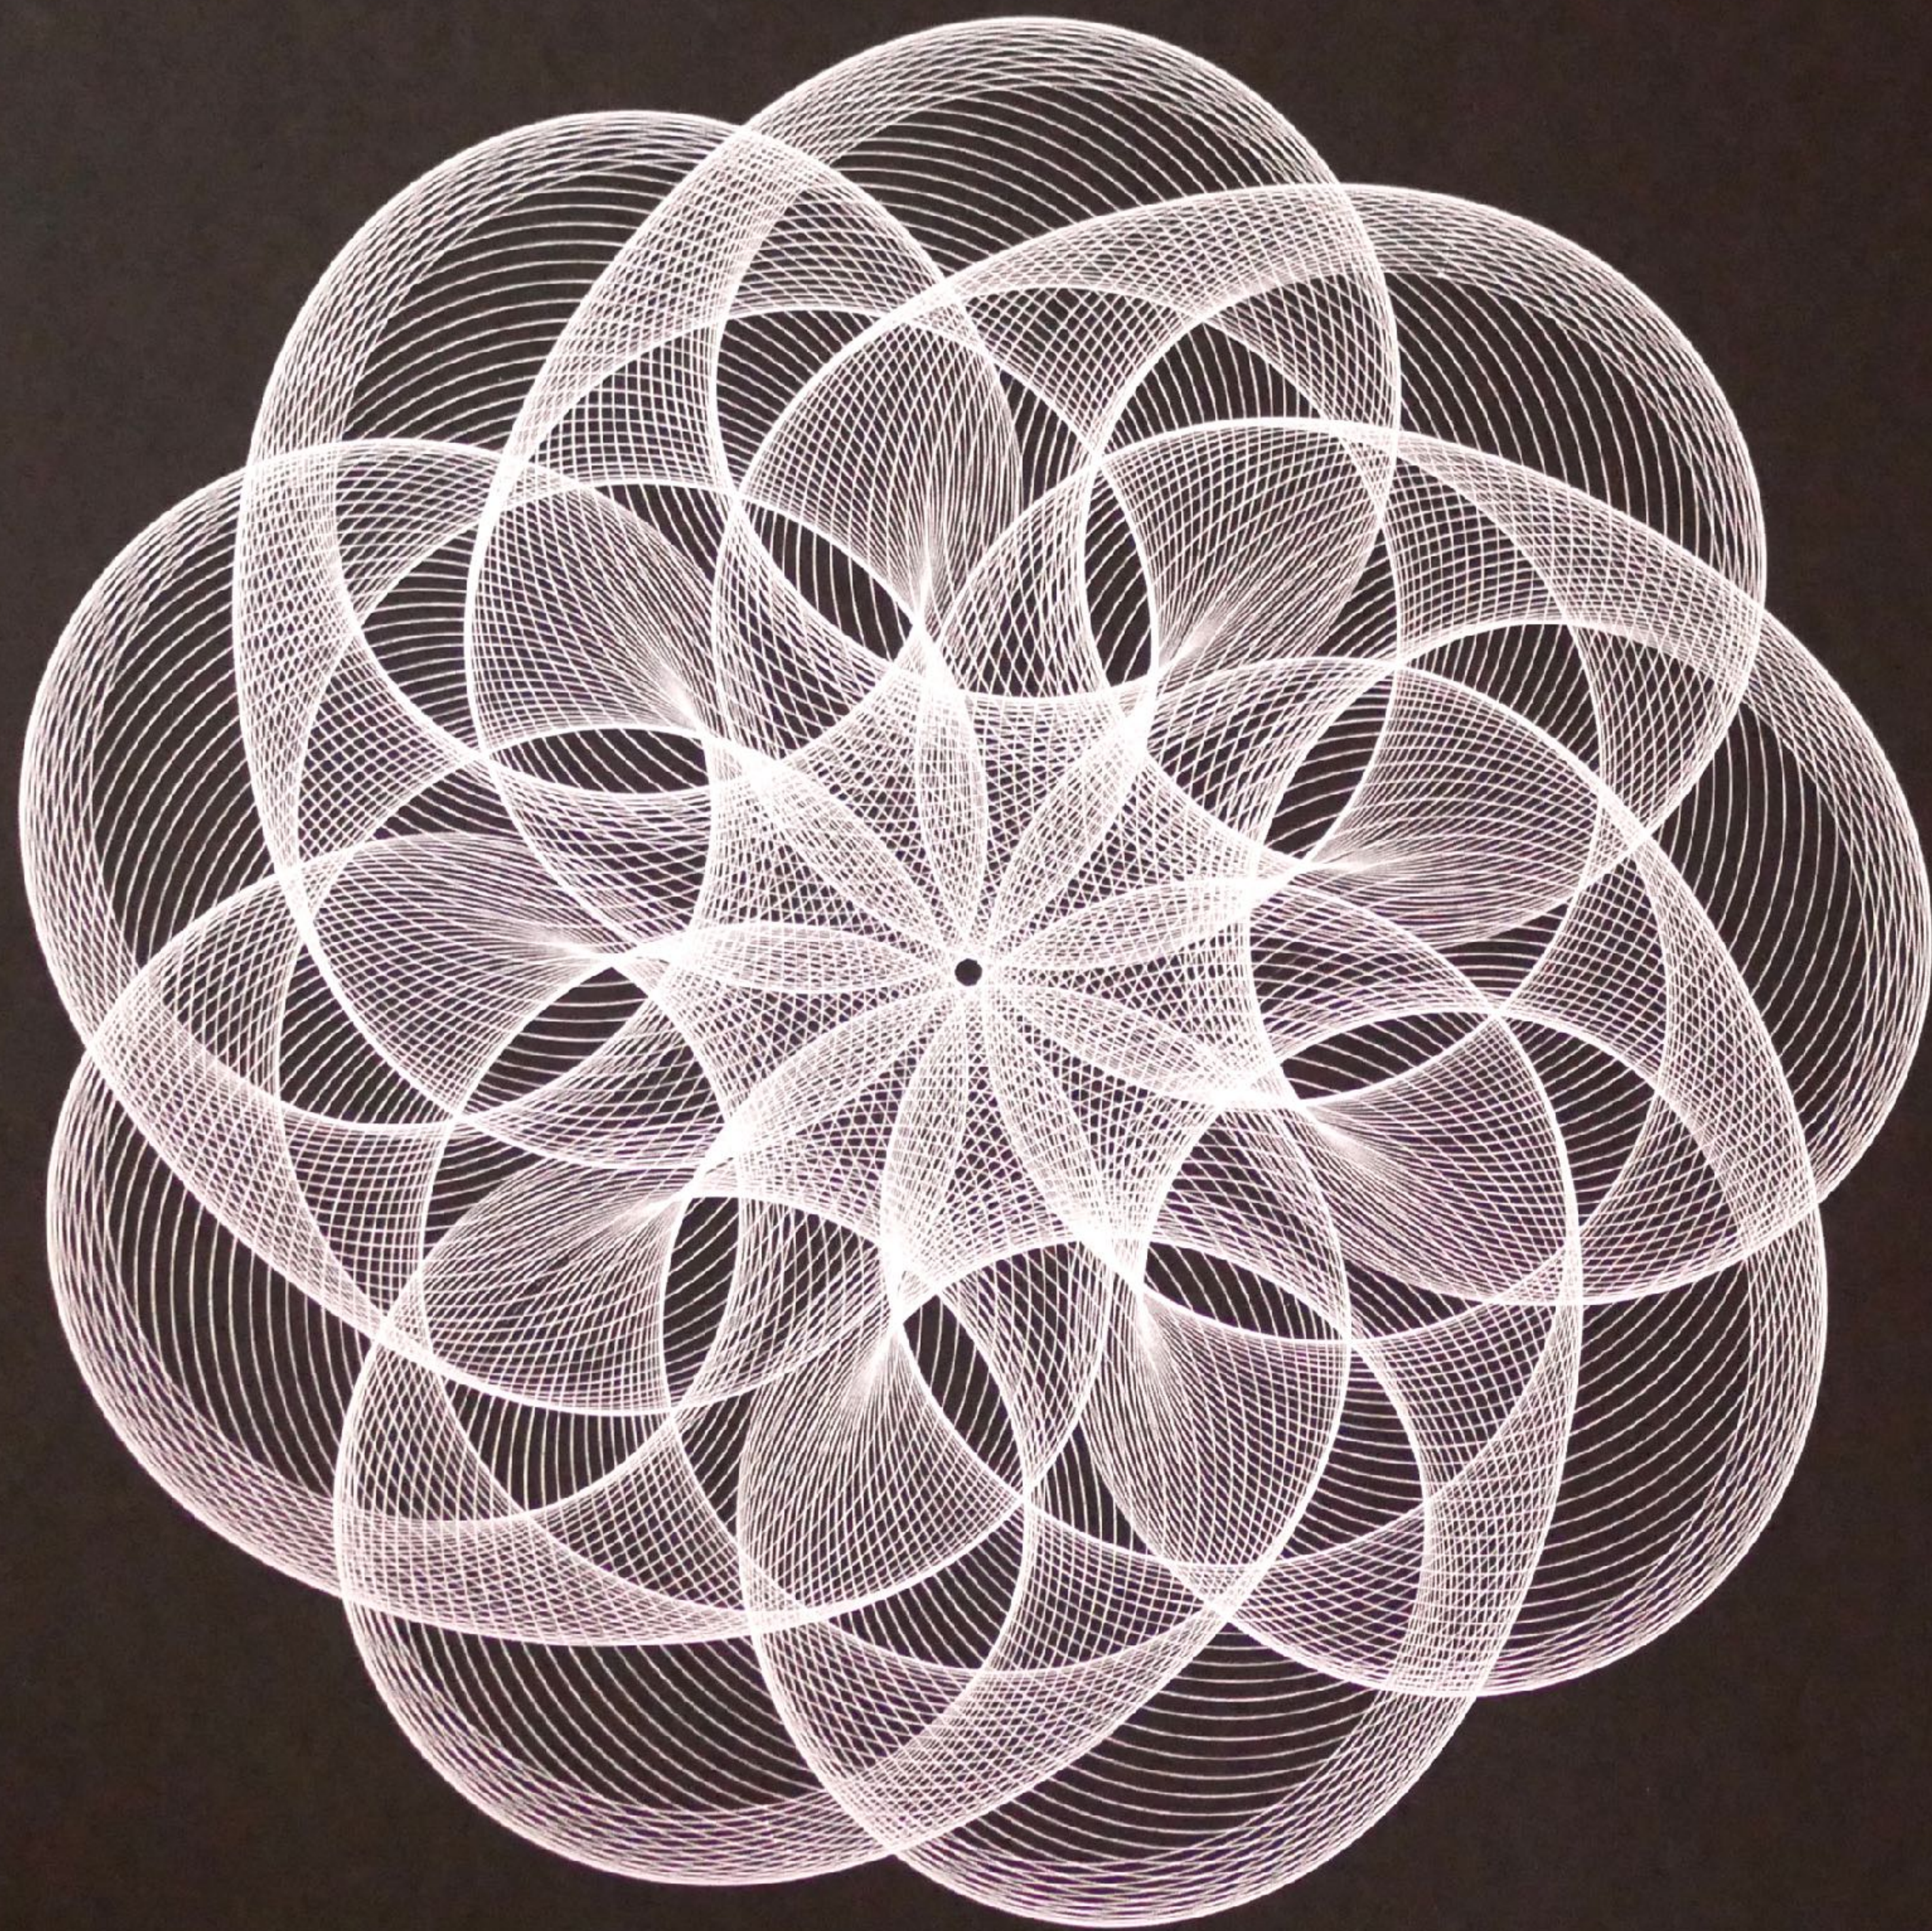

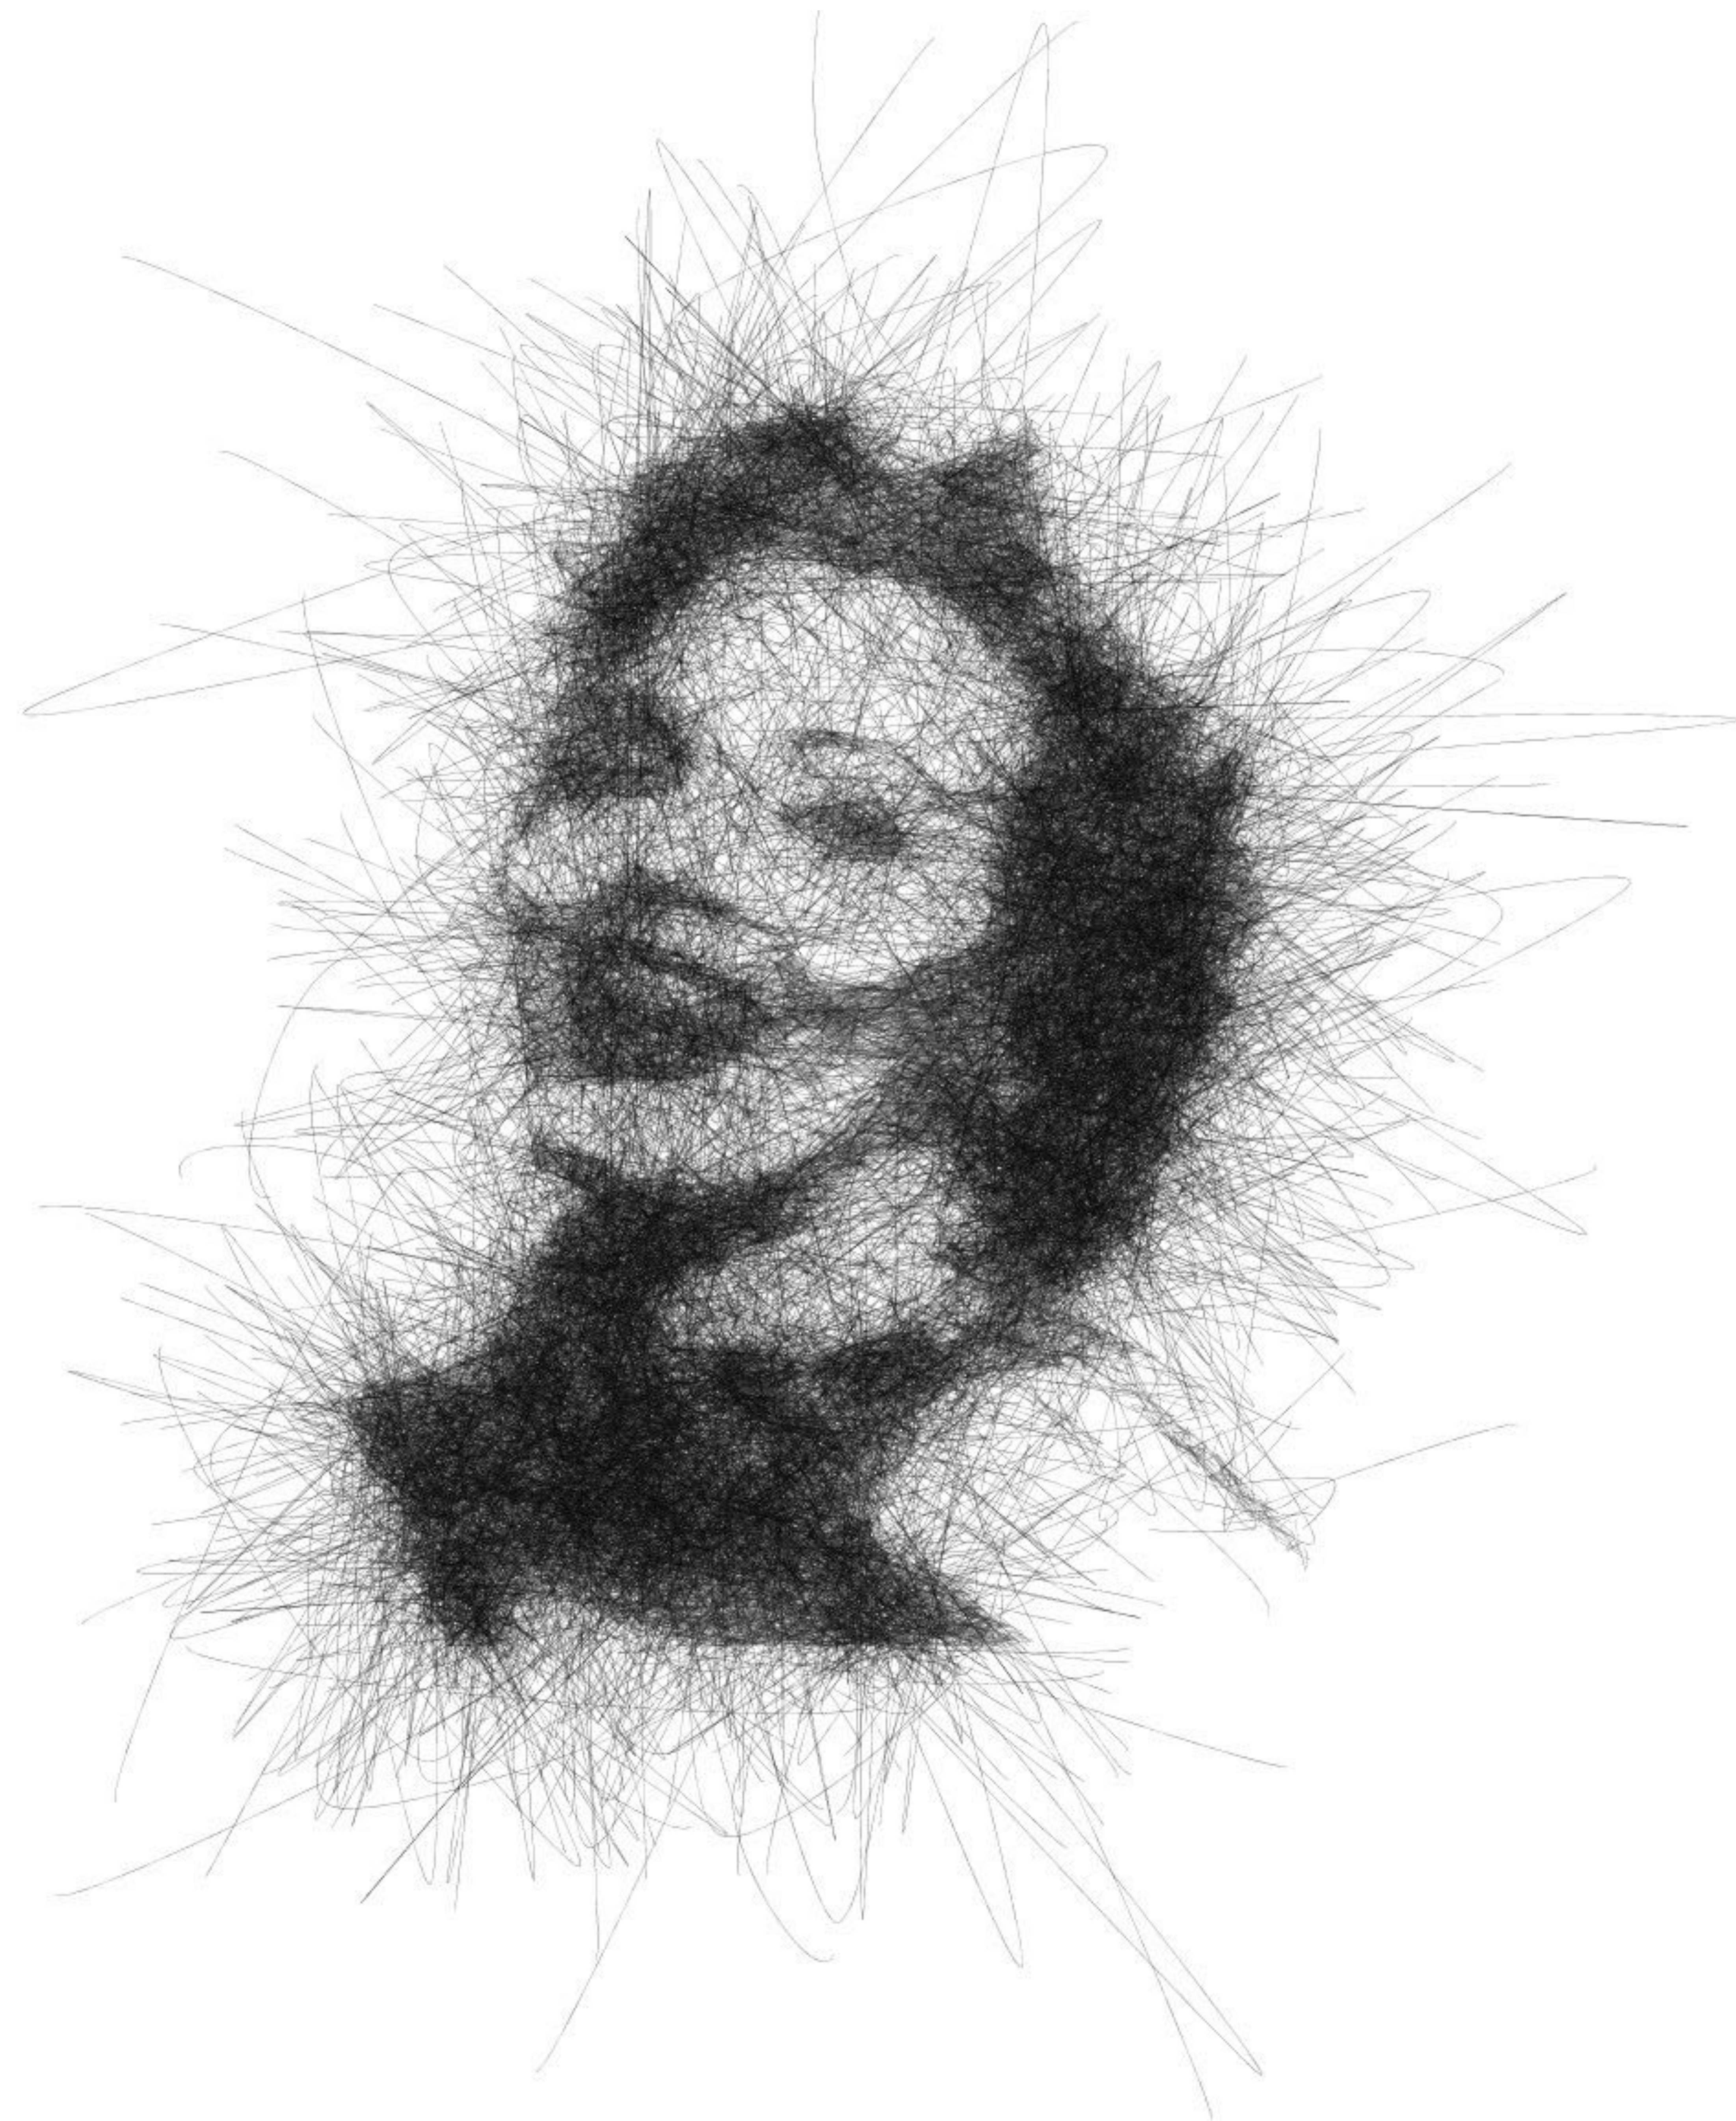

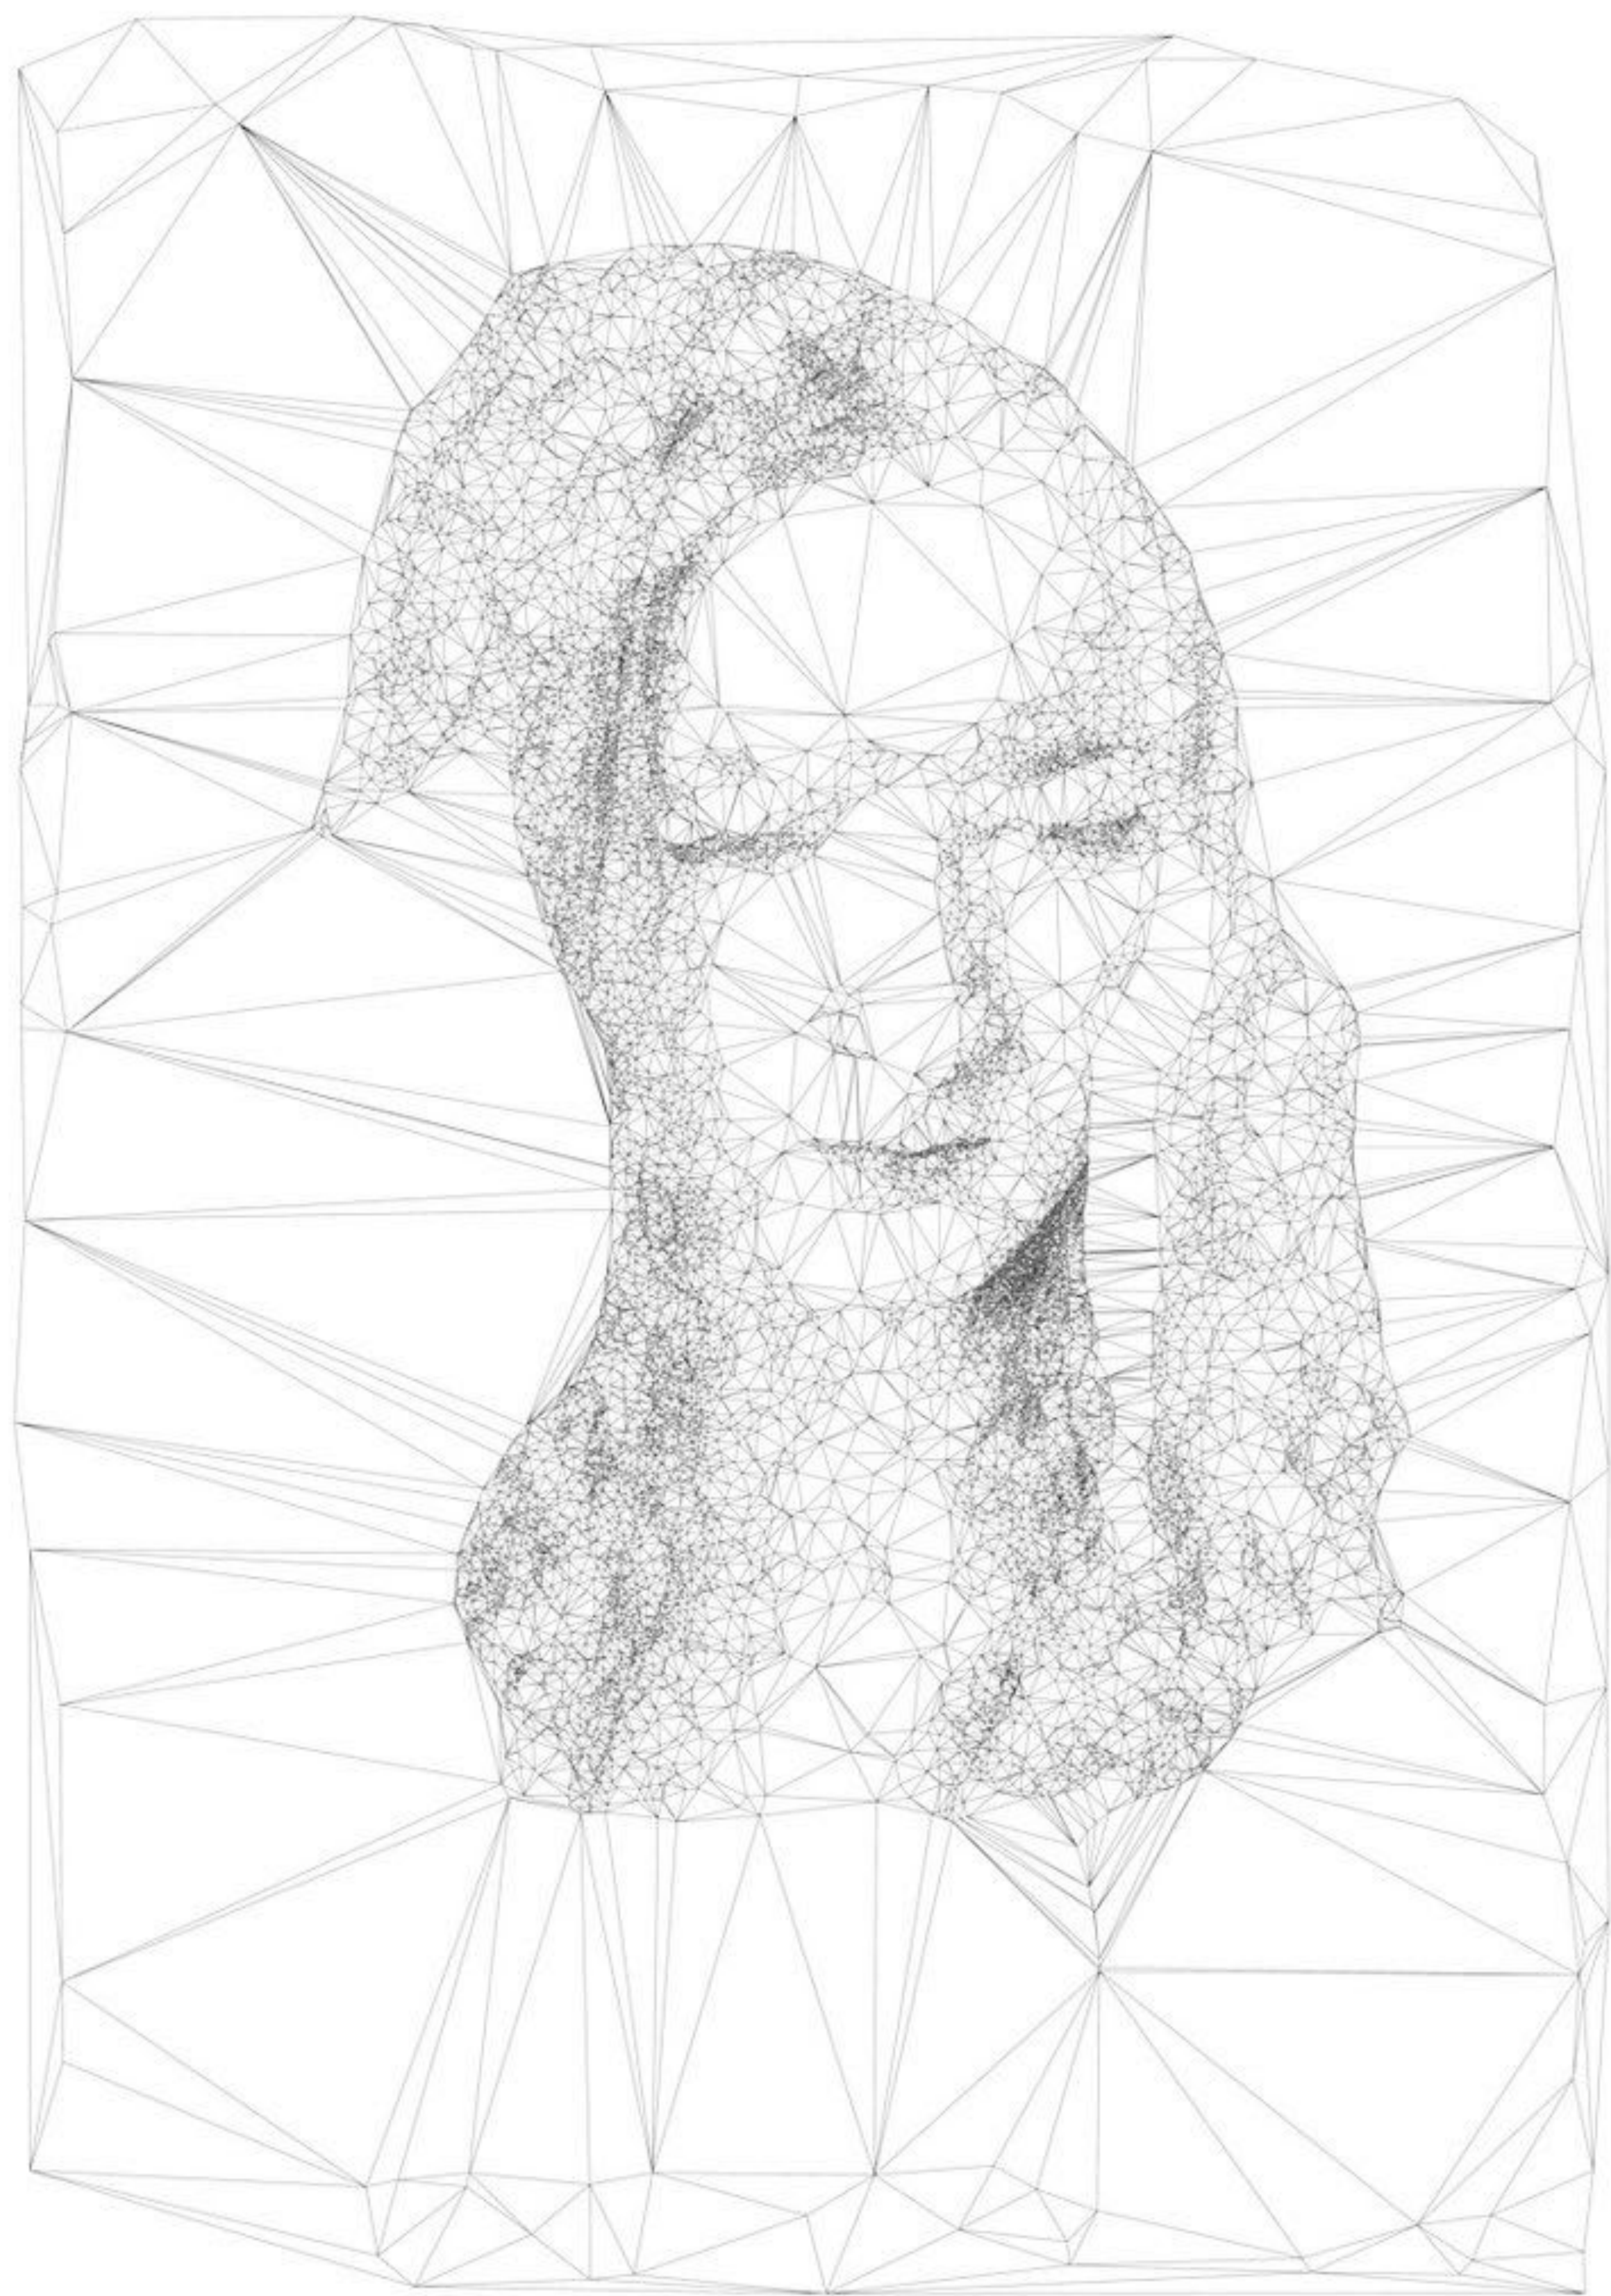

Dimension	Raw Noise	Use Case
